**WABASSO DRIVE OVER LWDD L-2 CANAL
 BRIDGE REPLACEMENT PROJECT**

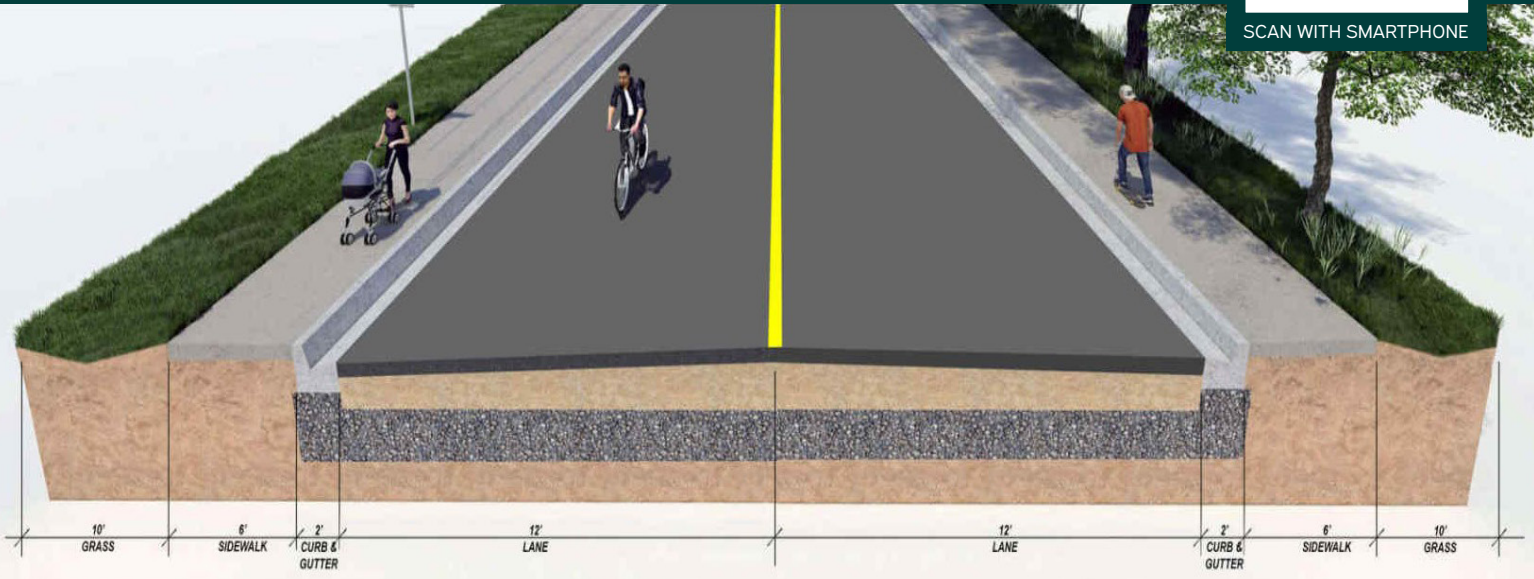

Palm Beach County has finished the design of a Box culvert to replace the existing bridge along Wabasso Drive over the LWDD L-2 Canal. The project limits are from Aspen Road on the south end to the intersection at Oswego Ave on the north end. Construction will start in January 2023 and will last approximately 6 months.

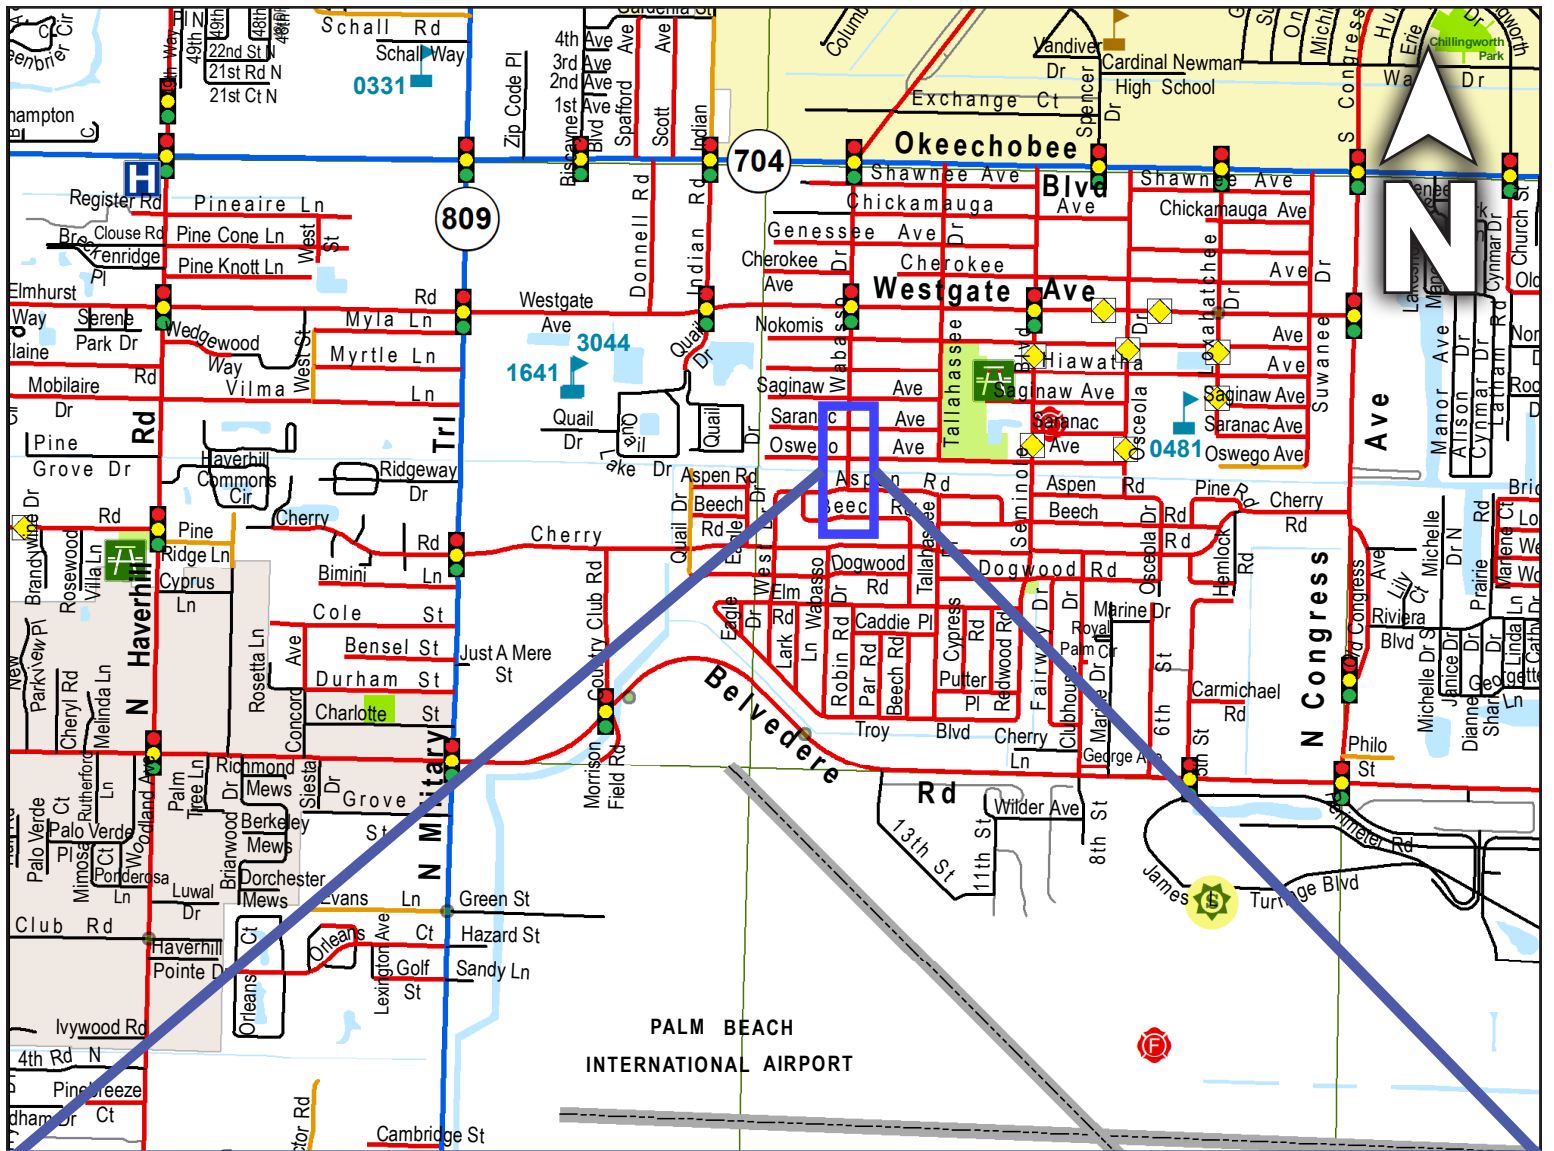

This project includes a reconstruction of the road, along with drainage improvements, and replacement of the bridge with a 8' x 12' box culvert. A detour will be implemented as there will be a 3 month closure for the removal of the bridge and the culvert construction.
