Frequently Asked Questions

1. Please explain, the statement, “with a special emphasis on families that are 100% below FPL”? Please provide an example.
 - This means that you would propose a focus on recruiting those at 100% below FPL to your program or prioritizing them in some way so that you are emphasizing services to this group.
2. Is the grant recipient required to assist 188 households or is this a County-wide goal where when all grant recipients' outcomes are combined, 188 households will have been assisted?

On Page 9 it was stated, “the goals for this initiative are to: **1. Assist 188 households annually with services that will increase their household income above 100 percent of FPL and to maintain or improve this income level for a minimum of two years.**

 - This is a county wide goal. You should set your goal based on your program capacity and budget request.
3. Can organizations that have existing contracts apply for additional funding to support clients through this NOFO?
 - Yes, you can apply to this NOFO even if you already have an existing FAA contract.
 - If you are applying to this NOFO for the program that is already funded through FAA, you would need to serve more clients and use the funds to expand the program.

4. Can we submit essentially the same application, only updated to reflect activity to today?

- You would need to review the NOFO guidance and respond to the questions accordingly including describing your project and how it would meet the requirements of the current NOFO.
