

Volunteer Program Update

Florida Coastal Cleanup at Lakeside Park & Munyon Island - September 19, 2009

About 100 volunteers took to Munyon Island & Lakeside Park in an effort to help clean up Lake Worth Lagoon as part of the 24th Annual International Coastal Cleanup. This cleanup site and dozens more like it were sponsored by The Ocean Conservancy and coordinated locally by Keep Palm Beach County Beautiful. Thanks to the dedicated volunteers, including individuals, private boaters and groups, approximately 1000 pounds of trash and debris were removed from a mile of the lagoon's shoreline.

Additional thanks go to the Riviera Beach Maritime Academy, Village of North Palm Beach/Department of Parks and Recreation, MacArthur Beach State Park, and Palm Beach County Department of Environmental Resources Management for their support.
