I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) Resolution of the Board of County Commissioners of Palm Beach County, Florida Approving Fiscal Year 2024 Mid-Year Budget Amendments and Transfers; and
- B) Budget amendments and transfers in various funds reflecting adjustments for balances brought forward, other revenues, reserves and operating expenses. The total of the adjustments is an increase of \$195,746,774 in 173 funds.

Summary: These budget amendments and transfers are necessary to adjust FY 2024 budgets to reflect differences between actual and estimated revenues and expenditures of FY 2023. These amendments adjust the balances brought forward, various revenue, expenditure, and reserve accounts to their audited balances. For the General Fund, this amendment results in an increased fund balance of \$51,201,692. This adjustment is a result of:

- \$20,872,311 net increase in revenues, excess fees and commission refunds from Constitutional Officers and Judicial: Sheriff’s Office \$13,132,277, Clerk and Comptroller \$299,832, Supervisor of Elections \$2,556,988, Tax Collector \$3,117,261, Property Appraiser \$1,182,470, Judicial \$583,483; and
- \$16,050,849 BCC department expenditures less than originally estimated and revenues higher than originally estimated; and
- (\$4,274,519) in Ad Valorem Capital expenses higher than originally estimated and General Government and FAA expenses less than originally estimated; and
- \$17,887,894 in major and other revenues higher than estimated.

Based on Board Direction from the January 30, 2024 Budget Workshop, \$50 million has been placed in a reserve for allocation to capital funds. Staff will bring forward an agenda item to appropriate these reserves to projects as directed by the Board at a future Board meeting. The remainder of the proposed adjustments result in an increase of \$9,853,327 in General Fund reserves. Countywide (DB)

Background and Policy Issues: During the development of the FY 2024 budget, estimates of revenues and expenditures were made for the FY 2023 budget year. These estimates form the basis for the carryover of fund balances into the FY 2024 budgets. For a variety of reasons, the actual revenues and expenditures will differ from estimated revenues and expenditures. Because of these differences, the carry over portions of the FY 2024 budgets must be adjusted. The proposed adjustments include an increase of \$9,853,327 in reserves in the General Fund. Although permitted by Statute, staff is not recommending that these additional available resources be appropriated or spent in the current year, but that the dollars be placed in reserves for offsetting next year’s revenue requirements.
