PBC Day 2020: Building Brighter Tomorrows

PBC Mayor Mack Bernard, County Administrator Verdenia Baker, Commissioner Gregg Weiss, Fire Rescue Chief Reginald Duren and Assistant County Administrator Patrick Rutter

Each year around May, bright-eyed students walk down aisles to receive diplomas or degrees with hopes and dreams of the incredible future that awaits them. Each student will experience bumps and challenges along the way, but will often create the bright future they envisioned. Palm Beach County's future is always looking bright, and our hope is that you will travel with us to Tallahassee in January to ensure the county's future grows brighter than ever. The purpose of Palm Beach County Day is to present the County's Legislative Agenda to the state lawmakers. The agenda is the blueprint for a brighter future for the residents of Palm Beach County. Bringing back state funding for the issues on the legislative agenda such as affordable housing, substance use, mental health programs, homelessness, transportation and others will help ensure that the residents of Palm Beach County have the freedom and ability to create a bright and sustainable future for themselves and their families.

Palm Beach County has a bright future ahead and it's getting brighter all the time. Your participation in Palm Beach County Day is a tangible way to help build brighter tomorrows, today.

Palm Beach County Day Registration Entirely On-Line

For the second year in a row, now, Palm Beach County Day 2020 registration is being conducted entirely on-line. Utilizing [Eventbrite](#) for registration has made the process much more efficient, quick and user-friendly than sending in paper registrations with a check. You can still pay for PBC Day with a check; just select “pay by check” as you complete your on-line registration. But the registration process can be completed in a matter of minutes on-line. This makes registering for Palm Beach County Day easier than ever before.

The registration process is easy, fast and can be completed in three easy steps:

Step 1: Go to: <http://pbcgov.com/pbcdays/> and click “register here” in order to register for Palm Beach County Day 2020. The fee that you pay on-line or by check, covers your tickets to all events including food and drinks. You will be asked to select which hotel you prefer so our staff can send you a link to the PBC Day room block in your favorite hotel. You can use this link to reserve your hotel room. You are half-way done.

Step 2: After you have successfully registered for PBC Day, your hotel room link will arrive via email (possibly not immediately as this is done by live humans and not automatic response). Once you click on the link, you will be taken to the room block reservation web-site where you can reserve your hotel room. You will secure your room with a credit card (room cost is separate from the PBC Day registration fee). Hotel booking is through emailed link only, no calls.

Step 3: Enjoy yourself! You have now registered for a very effective and enjoyable event as well as for your hotel room at the DoubleTree or Aloft Hotel. Start preparing for a great time, seeing new and old friends and participating in effective meetings during your time in Tallahassee.
