Dear Respected Community Member:

On behalf of the Youth Summit Committee, I am pleased to invite you to be a sponsor for the **2024 Youth Summit of Palm Beach County**. The event will take place at Palm Beach Lakes High School in West Palm Beach on **Saturday, April 27, 2024**. This momentous event will gather over 500 local middle and high school students; in addition to parents, law enforcement, service providers, and community members for a day of empowerment and education. The Summit provides youth with the opportunity to access information and resources aimed at assisting them in making better decisions and positive life choices focusing on the topics of: career planning, gang & crime prevention, bullying prevention, mental health, substance abuse prevention, financial literacy, and others.

The theme for this year's summit is ***Making Waves for Change***. Since this event is community partnership run, all proceeds from the Summit will go towards the cost of the event including the venue, guest speakers, meals, gift cards, and other youth related messaging items.

In Palm Beach County, thousands of youth face persistent challenges that prevent them from reaching their potential. This not only affects the individual young people and their families, but it prevents them from contributing fully to the community, thus impacting us all. To compete successfully in a 21st century economy, all of Palm Beach County's youth must have the opportunity to be safe, healthy, educated and prepared to succeed in their lives and careers. This is the mission of the Youth Summit Committee. **We all are responsible for the success of our community. The youth are our future leaders and with your support, we can positively impact their lives.**

Please review the attached sponsorship package for your consideration. If you have any questions, please contact Allison Jimenez, Hanley Foundation, ajimenez@hanleyfoundation.org
