### MEMORANDUM

**DATE:** July 15, 2008  
**TO:** Stephanie C. Kopelousos, Secretary  
**FROM:** James W. Golden, *James W. Golden* Manager, Transportation Statistics Office  
**SUBJECT:** Roadway Jurisdictional Transfer from Palm Beach County to FDOT

District Four Secretary Wolfe has requested approval for the transfer of a portion of Hooker Highway in Palm Beach to the State Highway System from the Palm Beach County Road System. The total length of this segment is 1.054 miles.

Transfer of this roadway segment will be pursuant to Chapter 335.0415, Florida Statutes, and the enclosed Transfer Agreement with Palm Beach County. The transfer will be beneficial to the citizens of Florida, as the state will be establishing a truck bypass route around the City of Belle Glade. A truck bypass route will assist in keeping heavy trucks out of the city and provide them a safer and faster route for transport of goods and services to the citizens of Florida.

The following information is enclosed in support of this transfer:

- Roadway Jurisdiction Transfer Form
- Memo from District Four Secretary Wolfe
- Transfer Agreement between the Department and Palm Beach County
- Palm Beach County Board of County Commissioners' Consent Agenda Item
- Location map

Your signature on the enclosed form will accomplish this transfer.

I concur with the recommended request.
