I. EXECUTIVE BRIEF

MOTION AND TITLE: **Staff recommends motion to approve**: A Third Amendment to the Interlocal Agreement (R2010-0530) with the City of Riviera Beach to extend the expiration date from March 31, 2011, to September 30, 2011 and increase the project budget by \$44,000 to support the Youth Violence Prevention Project (YVPP).

SUMMARY: The Florida Department of Law Enforcement (FDLE) approved this six month extension on March 22, 2011 including the reallocation of \$44,000 from YVPP evaluation to the Riviera Beach Youth Empowerment Center on June 30, 2011. The cities of West Palm Beach, Lake Worth, and Belle Glade's Interlocal Agreements were previously extended. <u>Countywide</u> (GB)

BACKGROUND AND POLICY ISSUES: The Criminal Justice Commission (CJC) recommended the use of \$1,691,582 from the Federal FY09 Recovery Act Edward Byrne Memorial Justice Assistance grant for the continuation of the YVPP and its primary partners, the five cities at greatest risk for future violence. Previously, on February 15, 2005, the Board of County Commissioners (BCC) directed the Criminal Justice Commission (CJC) to develop a YVPP which would address the increase in violent firearms crimes. A Youth Violence Prevention Steering Committee was formed to bring local agencies together to create a comprehensive youth violence reduction program. The five targeted areas that became evident through violent crime mapping (GIS) analysis include Riviera Beach, West Palm Beach, Lake Worth, Boynton Beach, and Belle Glade. The YVPP began the fourth year of implementation and funding on October 1, 2009. To date, the funds have established Youth Empowerment Centers in all five geographic areas identified as hot-spots and a Justice Service Center in Riviera Beach. In addition, joint law enforcement operations with multiple revenue sources complete the suppression component of the YVPP. Remaining grant funds were contracted for law enforcement training and technology for the 4th year evaluation.
