PALM BEACH COUNTY SHERIFF OFFICE LAW ENFORCEMENT TRUST FUND DONATION

Organization Name: AUDUBON SOCIETY OF THE EVERGLADES

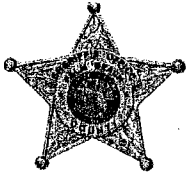

LETFF Funding Request (MUST match total on Financial Application): \$4278

1. What service will your organization provide through the use of Law Enforcement Trust Funds?

- School Resource Officers
- Drug Treatment Program
- Crime Prevention
- Safe Neighborhood
- Drug Abuse Education
- Drug Prevention Programs

Organization Purpose: Audubon Society of the Everglades connects children and families with nature to teach appreciation and respect for the environment. Through our Everglades Day festival and our many nature walks, we promote safe, healthy and interesting ways for children and families to appreciate nature. Children who develop a strong interest in nature are children who engage in wholesome, safe activities such as volunteering, studying animals, fishing, photographing, hiking, etc.

3. Provide a brief summary of program's activities/services to be funded The Audubon Society of the Everglades will offer a PBSO facilitated Gang Awareness Program for the public and/or organization's clients and parents. The Audubon Society of the Everglades will also offer a second PBSO facilitated program on missing and exploited children called Take 25. Everglades Day, held at the Loxahatchee National Wildlife Refuge, is a free family festival. The purpose of the event is to have families experience a day at the refuge learning about the Everglades. The refuge law enforcement and fire teams plan to bring in some of their equipment and teach children about the exciting work of law enforcement and fire fighters at refuges. Guided walks for children and adults, children's art and nature activities, animal presenters, canoeing and various art and music activities are planned for children. School groups provide music and dance, lead activities, paint faces, etc. High school teachers sometimes give extra credit to students that attend. Scout and church groups and other youth groups also attend the festival.

3. (CONTINUED) Children see animals of the Everglades in their natural setting. At the various exhibit tables there are live animals they can hold or touch. There are extremely limited resources at the refuge so tents, buses, and trolleys have to be rented. In kind donations are received from the Palm Beach Post, South Florida Water Management, DOT, and others. Sponsor donations match funding of this grant. The event is publicized through the Palm Beach Post, posters, and public service announcements. Everglades Day draws a diverse audience thanks in part to the Palm Beach County School District's Science Coordinators who send Everglades Day fliers to all the schools. A DRUG FREE ZONE sign will be posted at the refuge.

This LETF grant would fund tents, tables, chairs, stage and/or a portion of BUS RENTAL.
