**Summary:** The Hazardous Materials Oversight Committee is established in Section 11-130, Palm Beach County Code, known as the Palm Beach County Regional Hazardous Materials Response Ordinance of 1998. Appointments to this five (5) member committee are for three (3) year terms and are composed of members from specific areas of representation. Ms. Drovica Gosein-Rodriquez has requested to be reappointed and Darrel Donatto does not want to renew his appointment. The current ethnic diversity breakdown of the board is one (1) Hispanic-American Female and four (4) Caucasian Males. The terms of the committee members are staggered to eliminate replacing the entire committee at one time. Countywide (SB).

**Background and Justification:** The Hazardous Materials Oversight Committee was established by ordinance in 1998 to establish standards and review the effectiveness and adequacy of the regional hazardous materials emergency response teams. The Ordinance stipulates that all Oversight Committee appointments be nominated by specific entities or areas of interest and be appointed by the County Commission.

Sec. 11-130. - Oversight committee.

The board of county commissioners shall appoint a five-member oversight committee to establish the standards and review the effectiveness of delivering hazardous materials emergency response services on a regional basis.

- (1) *Membership.* The committee shall consist of one (1) member, representing each of the following groups:
  - a. Palm Beach County Health Department;
  - b. Palm Beach County League of Cities;
  - c. Solid Waste Authority of Palm Beach County;
  - d. Fire Chief's Association of Palm Beach County; and
  - e. Division of Emergency Management.Appointments shall be based on recommendations submitted by the represented group. Each member shall be appointed to the oversight committee in accordance with Palm Beach County PPM #CW-O-023 "Board Appointments."
- (2) *Terms of office.* The members shall serve three-year terms. There shall be no limit on the number of terms an individual may serve.
- (3) *Meetings.* The oversight committee shall meet at least quarterly or more often as determined by the membership.
- (4) *Duties and responsibilities.* The responsibilities of the oversight committee shall include, but not be limited to:
  - a. Recommend a solid waste authority fee schedule to provide a partial funding source for the designated hazardous materials response teams.
  - b. Oversee funds recovered as a direct result of response actions in accordance with section 11-132 of this article.
  - c. Review, recommend, establish, modify, and oversee performance standards for the delivery of regional hazardous materials response services, including initial response zones for the regional hazardous materials response teams. Prior to modifying any initial response zone, the oversight committee shall seek comment and discussion from the regional hazardous materials response teams.
  - d. Monitor and evaluate the distribution of funds and supplies to each of the hazardous materials response service providers.
  - e. Review the findings of the technical review team to assure effectiveness of the regional delivery of hazardous materials response services.
  - f. Submit a written report, at least annually, to the board of county commissioners, on the effectiveness of the regional hazardous materials response program.
- (5) *Technical review team.* The oversight committee shall appoint three (3) members and three (3) alternate members to serve on the technical review team, based upon recommendations from the Fire Chief's Association of Palm Beach County. Each member and alternate member shall be a chief fire officer from a fire-rescue department within the county. No member may

serve on the technical review team while the team is reviewing a service provider which employs the member or with whom the member is otherwise directly affiliated. In such case, an alternate member shall serve on the technical review team. An alternate member also may serve on the technical review team when a member is otherwise unavailable to serve. Alternates shall be called to service on a rotational basis.

(6) *Responsibilities of the technical review team.*

- a. Visit sites of each of the haz-mat service providers once a year to assure compliance with the standards of performance as approved by the oversight committee.
- b. Examine service providers' records to document performance criteria such as, but not limited to: Daily staffing of each haz-mat team, turnout time, response time, minimum equipment accessibility, incident documentation, personnel certifications and in-service training programs.
- c. Participate in each of the significant post incident analysis conducted by the regional hazardous materials response teams.
- d. Submit a written report annually, to the oversight committee on each team's compliance with the established performance standards.
- e. Examine the incidence of hazardous materials emergencies within the entire county and report to the oversight committee on the effectiveness of the regional hazardous materials response teams.

RE: Regional Hazmat Oversight Committee

Dear Chief Rowley:

Please consider this my full support and recommendation for Division Chief Shon Broedell to serve as our representative for Palm Beach Gardens Fire Rescue on the Regional Hazmat Oversight Committee.

His role as Division Chief of Training would make him qualified to serve in this capacity. If appointed, you will find Chief Broedell to be very professional and dedicated and will serve the committee well.

I appreciate the opportunity to nominate Chief Broedell to participate on this very important committee.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael F. Southard".

**RE:** Regional Hazmat Oversight Committee

Please consider this my full support and recommendation of Drovica Gosein-Rodriguez to continue serving as the representative for the Florida Department of Health in Palm Beach County on the Regional Hazmat Oversight Committee. She has demonstrated her competency in this position over the past year and should, in my opinion, continue to do so. Her role as manager of the FDOH-PBC Bio Medical and Hazardous Waste Section makes her the perfect person to serve in this capacity. Thank you for the opportunity to participate in this important committee in order to better fulfill our mission to protect, promote and improve the health of all the people in Palm Beach County. Should you require any additional information, please do not hesitate to contact me.
