<u>Reappoint</u>	<u>Seat</u>	<u>Requirement</u>	<u>Nominated By</u>	<u>Term</u>
Joseph Byrne	9	Roofing Contractor	Palm Beach County Roofing & Sheet Metal Contractors' Association	10/20/2020 – 10/19/2023
Donald Sharkey	13	Electrical Contractor	Independent Electrical Contractors, Inc.	10/20/2020 – 10/19/2023

Summary: The Building Code Advisory Board (BCAB) was established by a Special Act of the Florida Legislature in 1974, and amended in 2017. The term of office for Board members is three years with no limit to the number of terms a member may serve. The Board is comprised of 16 members: one registered architect appointed from nominees submitted by the Palm Beach Chapter of the American Institute of Architects (AIA); one professional engineer appointed from nominees submitted by the Palm Beach Chapter of the Florida Engineering Society (FES); seven members appointed from nominees submitted by any recognized regional industry trade association; and seven Building Officials, one from each commission district, appointed from nominees submitted by the Building Officials Association of Palm Beach County (BOAPBC). The Palm Beach County Roofing & Sheet Metal Contractors' Association has nominated Joseph Byrne to be reappointed as Roofing for Seat 9. The Independent Electrical Contractors, Inc. has nominated Donald Sharkey to be reappointed as Electrical for Seat 13.

This Advisory Board has 16 seats, 15 currently filled and 1 vacancy, and a diversity count of Caucasian: 13 (80%), African-American: 1 (10%) and Asian-American: 1 (10%) male. The gender ratio (male: female) is 14:1. The nominees are 2 Caucasian males. Staff has addressed the need to increase diversity within our boards and will continue to encourage this in an effort to expand the Boards diversity. Countywide (CK)

Background and Justification: The Building Code Advisory Board is authorized to advise local governments concerning adoption of administrative or technical amendments to the Florida Building Code based on local conditions; advise local governments how to improve and standardize construction code enforcement; and advise local governments on evaluation of new and innovative materials, products, systems, or methods of construction for compliance with the Florida Building Code, and any amendments or revisions thereto.

RE: Don Sharkey Nomination to the Building Code Advisory Board

Dear Doug:

It is my honor to recommend that Don Sharkey continues to serve on the Building Advisory Board without reservation.

As a lifelong resident of Palm Beach County, Don has nurtured relationships and built a respected business through hard work and dedication to his community. He conducts his business dealings honestly and fairly and expects the same of others. His company, Current Connections, is aptly named, as he remains on the forefront of county developments by staying informed on current events both locally and nationally. He makes thoughtful decisions that are coupled with extensive research along with his business acumen.

The Florida East Coast Chapter of IEC would not exist if not for Don. He has been a loyal and active member of the national association for over a decade and identified the need for a local chapter. What makes Don unique was the relentless pursuit of his vision in making the chapter a reality where others had tried and failed. He continues to be the hardest working member of the board, a respected leader and a valued and passionate president. I already lament his becoming my Immediate Past President but look forward to his remaining on the Executive Committee while together we grow and build upon the foundation he so firmly established.

Don would be an asset to any organization; feel free to contact me if you wish to discuss his qualifications in further detail.

Respectfully,

CarolynAnn Mohr
Executive Director IEC-FECC
