PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS

AGENDA ITEM SUMMARY

Meeting Date:	December 15, 2020	[x] Consent [] Ordinance	 Regular Public Hearing
Department:	Medical Examiner	's Office	
Submitted By:	Medical Examiner	's Office	

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Contract with AXIS Forensic Toxicology, Inc. to provide forensic toxicology testing for the period January 1, 2021 through December 31, 2023 in an amount not to exceed \$1,075,000.

Summary: The AXIS Forensic Toxicology, Inc. contract includes various drug detection panels that provide statutorily required and necessary complex toxicology testing as economically as possible. Each panel detects and quantifies a group of pre-determined drugs on the submitted body fluids/tissues that are collected at the time of examination. The group of drugs tested on each panel is determined by the laboratory based on their analytical capabilities. Other tests requested include carbon monoxide, volatiles (alcohols) and electrolyte testing. One or more panels may be requested on a particular case by the Medical Examiner; the requests are based on the information available through the medicolegal death investigation. The cost of the panels range from \$60 to \$400 per panel.

AXIS Forensic Toxicology, Inc. costs include the cost of the shipment to the laboratory, scheduled destruction of specimens, and professional consultation with their staff toxicologists. If return of some specimens to the Medical Examiner Office is necessary, it requires an additional fee. The type of services provided in the contract are exempt from the Purchasing Code.

Countywide (SF)

Background and Justification: AXIS Forensic Toxicology, Inc. began toxicology specimen testing for the Palm Beach County Medical Examiner Office on January 1, 2018 after the previous forensic toxicology laboratory failed to provide competitive pricing and services in a timely fashion. Since then Axis Forensic Toxicology continues to provide analysis with a turnaround time of 2 weeks at highly competitive prices. AXIS Forensic Toxicology, Inc. is able to provide a high level of service in regards to the continued rise in drugrelated deaths, which has caused significant increases in both the number and complexity of toxicology examination. Competitive comparison against AXIS Forensic Toxicology confirms their service, turnaround time, consultation and ability to customize panels for use by the Palm Beach County Medical Examiner Office at the lowest competitive price.
