I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Work Order No. 22-002 to the annual minor construction contract with Andrea Construction, Inc. (Andrea) (R2020-0143) for the Water Treatment Plant (WTP) # 9 - Heating Ventilation and Air Conditioning (HVAC) Replacement and Fire Alarm Device Modification (Re-bid) project in the amount of \$749,994 for a period of 90 calendar days from permit issuance.

Summary: On February 11, 2020, the Board of County Commissioners (Board) approved the annual minor construction contract with Andrea for repairs, improvements and renovations to County properties. The existing HVAC system at WTP No. 9 is over 15 years old and requires frequent repairs; Work Order No. 22-002 authorizes the replacement of the existing HVAC system, the replacement of the existing duct detectors and the programming of the fire panel to allow for the proper sequence of operations required for a mechanical system shutdown during a fire alarm activation. These changes will satisfy the fire safety code. This project was competitively advertised and new contractors were invited to bid on the project by submitting prequalification documents prior to the submission of the bid response. The contractor, Andrea, will have 90 calendar days from permit issuance to substantially complete the project. Liquidated damages for failure to achieve certification of substantial completion within the contract time or approved time extension thereof are \$80 per day. On August 21, 2019, the Goal Setting Committee applied the following Affirmative Procurement Initiatives (API) for this annual contract: 1) Sheltered market for projects less than \$100,000, when three or more Small Business Enterprises (SBE) are qualified; or 2) 10% SBE Price Preference for projects \$100,000 or greater; or 3) a minimum mandatory 25% SBE subcontracting goal for multi-trade projects \$100,000 and over. Since this is a multi-trade project over \$100,000, the applicable API is a mandatory subcontracting goal of 25%. Andrea is an SBE and committed to 33.45% SBE participation on this work order. To date, the overall SBE participation on the annual minor construction contract is 81.69%. Andrea is a local business. Funding for this project is from the Water Utilities Operation and Maintenance fund. **(Capital Improvements Division) District 5 (MWJ)**

Background and Justification: This project was openly, competitively advertised and procured. Bids for this project were opened on September 23, 2021 and Andrea submitted the lowest responsive and responsible bid.
