Background and Justification: On October 17, 1995, the BCC adopted a historic property tax exemption ordinance, Ordinance No. 95-41, applicable countywide. The ordinance allows a qualifying local government to enter into an Interlocal Agreement with the County to perform review functions necessary to implement the ordinance within its municipal boundary. An Interlocal Agreement was approved by the Board of County Commissioners on April 7, 1998, R 98 472 D, authorizing the City of Delray Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the City.

Copies of the City of Delray Beach Landmarks Preservation Commission and other backup information for the properties is available for review at the County's Planning Division.

B. Recommended Sources of Funds/Summary of Fiscal Impact:

There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for each property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at the most by the tax on the improvements made to the structure. The estimated improvement costs attributed solely to work to these historic buildings totals \$525,635.00. Estimated exemption will be based upon the Countywide Millage Rate (4.7815), it is estimated that approximately \$2,513.32 tax dollars will be exempted annually.

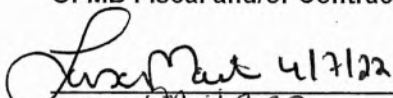

The estimated total tax exempted for the 10 years ending December 31, 2031, is \$25,133.24 (\$2,513.32 x 10).
