I. EXECUTIVE BRIEF

Motion and Title: staff recommends motion to adopt: Resolution of the Board of County Commissioners of Palm Beach County, Florida, adopting the FY 2023/2024 budget for the Air Pollution Control Program.

Summary: This Resolution is required by the August 21, 1984, Agreement with the Department of Health Palm Beach County (DOHPBC) to establish the annual budget for the expenditure of fees deposited into the Air Pollution Control Trust Fund. This Program is solely supported by motor vehicle license registration fees. **The proposed FY 2023/2024 budget for the Air Pollution Control Program from this funding source is \$1,033,307, which is a 3.92% increase from the current year budget.** This increase is partially due to the rise of indirect costs. This budget can be accommodated by future revenues and a surplus in the Air Pollution Control Trust Fund. Countywide (HH)

Background and Justification: In 1983, the State Legislature enacted Section 320.03(6), Florida Statutes, which provided for an additional fifty cent (50¢) motor vehicle license registration fee for the control of air pollution in the State. If this fee is collected in counties with approved air pollution control programs, such as the existing Health Department Program, then it is returned to a trust fund established by the County. This Statute also requires that these funds be used only for air pollution control purposes. Therefore, the County entered into an agreement with the DOHPBC authorizing the Health Department Air Pollution Control Program to act on behalf of Palm Beach County, and to establish an Air Pollution Control Trust Fund to support such a program. The Resolution, No. R-84-1196, was adopted on August 21, 1984 (Attachment 4) and was amended on September 15, 2020 via resolution R-2020-1385 (Attachment 5).

The 1990 State Legislature amended Section 320.03(6), Florida Statutes, to increase the registration fee to One Dollar (\$1.00) for support of air pollution control activities. **(Continued on page 3)**

THIS SUMMARY IS NOT TO BE USED AS A BASIS

Background And Justification (Continued):

Background And Justification: Section 320.03(6), Florida Statutes, was further amended to provide that an approved local air pollution control program is eligible to receive an additional twenty-five cents (25¢) from the fee for a total of seventy-five cents (75¢), provided the local air pollution control trust fund has an unencumbered balance not exceeding 50% of the previous year's revenue allocation. It is estimated that the unencumbered balance at the end of the current fiscal year will be more than 50% of the annual revenue thus making the County eligible to receiving funding at the 50¢ level. It is also estimated that annual tag fee revenues collected during FFY 2023/2024 will provide sufficient funds for this budget.
