- (B) Airline Service Incentive Program Participation Agreement (Incentive Agreement) with Silver for flights to Nassau, Bahamas (NAS), providing for the waiver of landing, per use ticket counter, common use passenger processing system (CUPPS), and commuter operating fees from February 15, 2024, through February 14, 2026;
- (C) Incentive Agreement with Silver for flights to Tallahassee, Florida (TLH), providing for the waiver of landing, per use ticket counter, CUPPS, and commuter operating fees from February 15, 2024, through February 14, 2026;
- (D) Incentive Agreement with Silver for flights to Tampa, Florida (TPA), providing for the waiver of landing, per use ticket counter, CUPPS, and commuter operating fees from February 15, 2024, through February 14, 2025; and
- (E) Incentive Agreement with Silver for flights to Pensacola, Florida (PNS), providing for the waiver of landing, per use ticket counter, CUPPS, and commuter operating fees from February 15, 2024, through February 14, 2025.

**Summary:** The Airline Agreement authorizes Silver to operate from the PBI terminal and provides for the lease of 305 square feet of airline ticket office space. The Incentive Agreements provide for the waiver of certain airport fees, including landing, per use ticket counter, CUPPS, and commuter operating fees, to incentivize air service to destinations not currently served by any other airline. The term of the Incentive Agreements for flights to NAS and TLH is two (2) years. The term of the Incentive Agreements for flights to TPA and PNS is one (1) year. In addition to the cities listed in each Incentive Agreement, Silver will serve Marsh Harbour, Bahamas (MHH). No incentives were provided for MHH since the destination is currently served by BahamasAir. Silver commenced operations at PBI on March 5, 2024. Delegation of authority for execution of the standard form Non-signatory Airline Agreement was approved by the Board in R-2019-1156. Delegation of authority for execution of the standard form Incentive Agreement was approved by the Board in R-2014-0251. **Countywide (AH)**

**Background and Justification:** The Airline Incentive Program (Program) has been in place since 2002. The objective of the Program is to increase air service by incentivizing flights to unserved destinations. New flights result in increased passenger activity, which increases overall airport revenues through airport concessions and parking. The Program provides for the waiver of airport fees and has no impact to the general fund or ad valorem revenues.

**Attachments:** Airline Agreement (1) and four (4) Incentive Agreements.

County shall have no obligation to provide or contribute to passenger transport services. Airline may provide passenger transport services pursuant to this Section alone or in conjunction with other Scheduled Air Carriers or through a designated porter/sky cap; provided, however, Airline shall be obligated to ensure that its designated porter/sky cap remains in compliance with the requirements of this Section.

4.07 Food Service/Vending Machines. Airline shall not maintain or operate in the Terminal or elsewhere at the Airport, a cafeteria, restaurant, bar, cocktail lounge or other similar facility at the Airport. Airline shall not sell or dispense food and beverages at the Airport except in Airline's club room as provided in Section 4.08. Airline may dispense food and beverages on board Airline's aircraft or to passengers boarding Airline's aircraft for consumption on board. Airline may install snack vending machines in its office and break room areas of the Preferential Use Premises that are not accessible to the public for the exclusive use of Airline's employees and agents. In the event of originating flight delays, diverted flights or originating flights that have returned to the Airport, Airline may provide typical onboard beverages (excluding alcohol) and snacks (e.g., peanuts, pretzels, etc.) at no charge to its passengers in Airline's holdroom area(s). Airline may also dispense typical onboard snacks in Airline's baggage service office for customers needing assistance locating lost luggage.

4.08 Club Room. If Airline operates a club room or similar private facility for use by its passengers at the Airport, Airline may, at its sole cost and expense, install, operate and maintain a kitchen or other facilities within the club room for the purpose of preparing and providing food and beverages to Airline's passengers on a complimentary basis. Airline may elect to sell food and/or beverages to its passengers and employees within the club room for consumption within the club room, subject to the terms, conditions and limitations as hereinafter set forth. Airline shall provide prior written notice to County of its intent to sell food and/or beverages within its club room. Airline shall report all gross revenues from the sale of food and/or beverages in its monthly Activity Report and shall pay to County a percentage of the gross revenues from the sale of such food and/or beverages equal to the then current percentage(s) payable by the Airport's food and beverage concessionaire(s) to County. As of the Effective Date, the Airport's food and beverage concessionaire(s) are required to pay 10.1% of gross revenues for all sales from sit down and fast food restaurants (such as Chili's Too and PBI MKT), and 15.1% of gross revenues for the sale of snack foods, coffee, pre-packaged grab and go items, and alcoholic beverages. County shall notify

Airline in writing in the event the percentage of gross revenues applicable to the sale of food and beverages is modified. Airline may provide wireless internet service to Airline's passengers within its club room on a complimentary basis; provided that such service is not readily available in the public areas of the Terminal.

4.09 Limitations, Exclusions and Reservations.

- A. Except as otherwise approved by County in writing or authorized by an amendment to this Agreement, Airline shall use and occupy the Airline Premises and Airport solely and exclusively for purposes set forth in this Article and shall not use the Airline Premises or Airport for any other use, business or purpose whatsoever. Airline acknowledges that County shall not have any obligation whatsoever to approve uses not contemplated herein. Furthermore, except as otherwise expressly provided in Sections 4.07 and 4.08, nothing in this Agreement shall be construed to give Airline any right or permission to sell or provide at the Airport any goods or services to the public, its employees and/or passengers other than Air Transportation Services or to conduct any business separate and apart from the provision of Air Transportation Services. The foregoing prohibition includes, but is not limited to, the sale or provision of trip insurance, wireless internet services to the public (excluding Airline's club room pursuant to Section 4.08), advertising and automobile rental.
- B. County shall have the right to require any Person providing services to Airline at the Airport to obtain a permit or agreement from County for the privilege of conducting such activity at the Airport, and to abide by all reasonable and nondiscriminatory rules and regulations established by the Department, as may be amended from time-to-time, and to pay all applicable fees and charges.
- C. Except as expressly provided herein, nothing in this Agreement shall restrict County from imposing reasonable and nondiscriminatory fees and charges on any Person, including, but not limited to, Airline's suppliers, agents and contractors, for the use of the Airport when such use constitutes the performance of a commercial business activity at the Airport, or for the provision of any services by County. Notwithstanding the foregoing, County shall not impose a charge to Airline for ground transportation provided by or for Airline, at Airline's sole cost and expense, for Airline's passengers and/or employees due to flight delays, diversions or cancellations.
- D. County shall have the right to charge any Person a reasonable and nondiscriminatory fee for the right to sell or serve food and beverages to Airline, its employees or passengers. Notwithstanding the foregoing, in the event Airline maintains a flight kitchen, Airline and its suppliers, providing unprepared food, beverages and supplies for preparation in the flight kitchen, shall not be charged a fee for the preparation of food.

- E. County shall have the right to install, or cause to be installed, advertising and other revenue generating devices in the Joint Use Premises and public areas of the Preferential Use Premises; provided that such installation shall not unreasonably interfere with Airline's operations hereunder. Nothing in this Section shall be construed as precluding County from installing advertising that promotes the Airport, or informational or directional signage.
- F. County shall have the right to install pay telephones in any part of the Terminal, including Airline Premises in a location mutually agreed to by the parties. Airline shall have the right to install pay telephones in Airline's club rooms, if any, subject to the prior written approval of County. All income generated by all pay telephones, excluding those located within Airline's club rooms, shall be retained by County as Revenues. County shall be entitled to reasonable access to the Airline Premises to install or service any pay telephones installed by County.
- G. County may from time-to-time temporarily or permanently close, re-route or restrict the use of any roadway at the Airport; provided, however, County shall use Commercially Reasonable efforts to provide a reasonably equivalent means of ingress and egress. County agrees to provide reasonable advance written notice to Airline prior to instituting such restrictions; provided, however, that such notice shall not be required in the event of an emergency or if required by any security agency with jurisdiction, including, but not limited to, the Department of Homeland Security, Department of Transportation and PBSO. Airline hereby releases and discharges County from any and all claims, demands, or causes or action that Airline may have arising or alleged to arise out of such a closing, re-routing or restriction. Airline's release of the County shall not apply to claims that arise out of County's failure to use Commercially Reasonable efforts to provide alternative access or County's failure to give Airline reasonable advance notice of a closure, re-routing or restriction.
- H. County may prohibit the use of the Airfield by any aircraft operated or controlled by Airline, which exceeds the design strength or capability of the Airfield as set forth in the current FAA-approved Airport Layout Plan or other engineering evaluations performed subsequent to the then current Airport Layout Plan.
- I. Airline shall not perform, or cause to be performed, any Major Maintenance of its aircraft and other equipment in or on Airline Premises. Airline agrees that all aircraft maintenance shall be performed in accordance with all applicable local, state and federal laws, including, but not limited to, the Florida Building Code and Florida Fire Prevention Code and Life Safety Code, and any local amendments thereto, as now or hereafter amended and supplemented. Airline shall not store inoperative equipment in or on the Airline Premises.

- J. Airline shall not interfere with, or permit interference with, the effectiveness or accessibility of the drainage, sewerage, water, communications, or fire protection systems or any other part of the utility, electrical, or other systems installed or located at the Airport.
- K. Airline shall not store or stockpile personal property or equipment in areas of the Airport, which are not licensed for Airline's use hereunder, including, but not limited to, furniture, recreational equipment, pallets and other similar items. Airline shall be responsible for ensuring that its employees and contractors remain in compliance with the requirements of this Section.

4.10 Common Use Equipment. Airline acknowledges that County has installed common use passenger processing equipment at the Airport, including at ticketing counters and boarding podiums that are not licensed on a Preferential Use basis to an Air Transportation Company. Airline shall retain the right to install and maintain its proprietary equipment at its Preferential Use ticket counter and gate positions during the Term of this Agreement.

## ARTICLE 5 - MAINTENANCE AND OPERATION

5.01 Designation of Maintenance Responsibilities. The parties responsibilities for maintenance, cleaning, and operation of the Airline Premises are set forth in the Maintenance Schedule. Airline agrees to perform the obligations set forth in the Maintenance Schedule, which are assigned to Airline, and County agrees to perform the obligations set forth in the Maintenance Schedule, which are assigned to County.

### 5.02 County Obligations.

- A. Except as to premises leased to or under the contractual control of others or as otherwise provided for in the Maintenance Schedule, County shall maintain all Airport facilities in good and adequate condition for their intended use and to the extent required by law and the Bond Resolution.
- B. Notwithstanding the foregoing, and except as required by the Bond Resolution, County, in its sole discretion, may abandon facilities, including real property, which are no longer necessary for the proper and adequate operation of the Airport. Nothing in this Agreement shall be deemed to require County to make any improvements to the Airport, including, but not limited to, enlarging the Airport, or making any extensions or additions to the Airfield or other appurtenances of the Airport.

### 5.03 Airline Obligations.

- A. Airline shall at all times operate the Airline Premises, and any improvements or appurtenances thereto, in a sound, efficient and economical manner and, except as otherwise provided in the Maintenance Schedule, shall maintain, preserve and keep same in good repair, working order, and in a neat, orderly, sanitary and presentable condition. Airline shall remove, or cause to be removed, at Airline's sole cost and expense,

from its Preferential Use Premises all waste, garbage, and rubbish and agrees not to deposit same on any part of Airport; provided, however, that Airline may temporarily store same in appropriate containers in its Preferential Use Premises or in space designated by County in connection with collection for removal. Airline, at its sole cost and expense, shall be responsible for the removal of all oil or other spillages from its Preferential Use Aircraft Parking Apron.

- B. Authorized representative(s) of County shall have the right to enter the Airline Premises, including the non-public areas of the Preferential Use Premises, at any and all reasonable times for the purpose of inspection, including inspection of all County-owned equipment for compliance with manufacturer's specifications regarding servicing and preventive maintenance, or for any other purpose incident to the performance of its obligations hereunder or in the exercise of any of its governmental functions. County shall use its good faith efforts to avoid disruption of Airline's operations and, except in the event of an emergency, shall provide Airline reasonable notice prior to entering the non-public areas of the Preferential Use Premises and Airline shall have the right to have an Airline employee accompany County's representative(s) when entering the non-public areas of the Preferential Use Premises.
- C. In the event Airline fails or refuses to perform its obligations under this Article, authorized representatives of County shall have the right to enter the Airline Premises and perform such obligations; provided, however, County shall give to Airline reasonable notice and opportunity to cure in accordance with Section 12.02(C) prior to the exercise of this right, except in the event of an emergency or immediate safety hazard. In the event of an emergency or immediate safety hazard, County shall endeavor to give Airline reasonable notice under the circumstances. Airline shall have the right to have an Airline employee accompany County's authorized representative when entering the Airline Premises to perform such activities. Airline agrees that it shall reimburse County's direct labor and material costs, plus a twenty five percent (25%) administrative overhead within thirty (30) days of the date of County's invoice. Nothing in this Section shall be construed as waiving any other legal remedy County may have hereunder in the event Airline fails or refuses to perform its obligations under this Article.

#### **ARTICLE 6 - PAYMENT OF FEES AND CHARGES**

6.01 **Payment.** Airline shall pay to County all fees and charges set forth in the Rate and Fee Schedule for the rights, licenses and privileges granted hereunder to Airline at rates applicable to non-signatory airlines calculated by County in accordance with methodologies set forth in the Rate and Fee Schedule and this Agreement.

6.02 Additional Fees and Charges. Airline agrees to pay to County reasonable and nondiscriminatory fees and charges for any other services or facilities provided by County or its contractors, which are not specifically provided for in this Agreement, and accepted or requested by Airline.

6.03 Time and Place of Payment.

- A. Payments due to County from Airline hereunder shall be paid in lawful money of the United States of America, by check or electronic payment to Palm Beach County, without any deduction, holdback or set off whatsoever, and shall be made at such places as County may designate in writing to Airline, which as of the Effective Date shall be as follows for payments by mail:

Department of Airports  
Accounting Section  
846 Palm Beach International Airport  
West Palm Beach, FL 33406-1470

For payments by wire or other electronic funds transfer, Airline shall contact the Department's Accounting Section for further information.

- B. Payment for the use of the Preferential Use Premises shall be due in advance, without demand or deduction, in equal monthly installments on the first (1st) Business Day of each month.
- C. Payment of fees and charges, which are based upon Airline's monthly activity, including, but not limited to, Landing Fees, Environmental Operating Fees, Common Use Equipment Fees, Baggage Handling System Fees, Commuter Operating Charges and FIS Facility fees, shall be due within thirty (30) days of the receipt of County's invoice.
- D. Payment of all other amounts due hereunder, including, but not limited to, fees for use of the Joint Use Premises, employee parking charges, maintenance, utility and telephone charges/reimbursements and other miscellaneous charges, shall be due within thirty (30) days of the date of County's invoice.
- E. Interest at the rate of one and one-half percent (1½%) per month shall accrue against any and all delinquent payment(s) from the date due until the date payment is received by County. To the extent permitted by law, this provision shall not preclude County from terminating this Agreement for Airline's default in the payment of fees or charges, or from enforcing any other provisions contained herein or provided by law.

- F. Acceptance by County of any payment from Airline shall not preclude County from verifying the accuracy of Airline's reports on which Airline's fees and charges are based as provided in this Article and shall not be deemed a waiver of any interest penalty due.

6.04 Partial Month Charges. In the event the Effective Date or termination date of Airline's use of the Preferential Use Premises, or any portion thereof, occurs on any date other than the first (1<sup>st</sup>) or last day of a calendar month, the fees and charges applicable to Airline's use of the Preferential Use Premises, or portion thereof, for that month shall be paid on a pro rata basis based on the number of days in that month.

6.05 Activity Report.

- A. No later than the tenth (10<sup>th</sup>) calendar day of each month, Airline shall electronically file an accurate and complete Activity Report with County, which contains the information required therein for the preceding month.
- B. In the event Airline fails to provide the Activity Report, within the time period specified herein, or if the data contained in the Activity Report appears to be inaccurate, County may, based on previous reports or other information available to County, estimate Airline's activity for the preceding month and issue invoices based on County's estimation. Airline shall be liable to County for any deficiencies in payments based upon such estimates. If such estimates result in an overpayment by Airline, County shall remit, or at County's option credit, such overpayment to Airline.

6.06 Audit.

- A. Airline shall maintain and keep books, ledgers, accounts, or other records, accurately recording the total number of Revenue and Nonrevenue Landings at the Airport, the Landed Weight of each aircraft, the total number of Enplaned Passengers and Deplaned Passengers, and all other traffic and activity statistics to be recorded or reported hereunder. Such books, ledgers, accounts, and records related to Airline's operations at the Airport shall be made available in electronic format or otherwise in Palm Beach County for a period of three (3) years subsequent to the activities reported therein. In the event such books, ledgers, accounts and records are made available in an electronic format, they shall be certified by an officer of Airline.
- B. County or its duly authorized representative(s) may examine any and all such books, ledgers, accounts and records during all reasonable business hours, in Airline's offices or such other place as mutually agreed to between Airline and County. Upon County's written request for examination of such books, ledgers, accounts and records, Airline shall produce such items in Palm Beach County within ten (10) Business Days of County's request or pay all reasonable expenses, including, but not limited to, transportation,

food, and lodging, for County's auditor(s) and their representative(s) to perform the audit outside Palm Beach County.

- C. The cost of an audit outside of Palm Beach County, with the exception of the aforementioned transportation, food and lodging expenses, shall be borne by County; provided, however, that the full cost of the audit shall be borne by Airline if either or both of the following conditions exist:
1. The audit reveals an underpayment of more than ten percent (10%) of the fees and charges due hereunder, unless such underpayment is the result of a miscalculation by County of the fees and charges payable; or
  2. Airline has failed to maintain true and complete books, ledgers accounts and records, and supportive source documentation in accordance with the requirements of this Section.
- D. Any underpayment of amounts due County disclosed as a result of an audit conducted pursuant to this Section 6.06, including interest at the rate set forth in Section 6.03(E), computed from the original due date of each such amount due shall be paid to County within thirty (30) days from receipt of County's invoice. Such payment by Airline shall not abrogate Airline's right to contest the validity of said underpayments. Any valid overpayments made by Airline shall be promptly remitted, or at County's option, credited to Airline.

6.07 Contract Security.

- A. Prior to the Effective Date, Airline shall provide County with a clean, irrevocable letter of credit, surety bond or other form of security acceptable to County and issued by a company reasonably acceptable to County ("Contract Security") in an amount equal to County's estimate of three (3) months' fees and charges payable by Airline hereunder, but not less than twenty-five thousand dollars (\$25,000), to guarantee the faithful performance by Airline of its obligations under this Agreement and the payment of all fees and charges due hereunder. In the event that any such Contract Security shall be for a period of less than the full period required by this Agreement, or if the Contract Security may be canceled, Airline shall provide a renewal or replacement Contract Security at least sixty (60) days prior to the later of: (1) the date the Contract Security expires, or (2) the effective date of cancellation of the Contract Security.
- B. Notwithstanding the foregoing, in the event Airline does not commit an Event of Default or an act or omission that, with the passage of time or giving of notice, or both, would constitute an Event of Default hereunder or under a substantially similar agreement with County for a period of eighteen (18) consecutive months, County may, in its sole and absolute discretion,

agree to waive the requirements of Section 6.07(A) upon prior written request from Airline. Any such waiver shall be in writing and signed by the Department on behalf of County.

- C. If Airline commits an Event of Default hereunder, or upon Airline's election to assume this Agreement under federal bankruptcy laws, County shall have the right to impose or re-impose the Contract Security requirements of Section 6.07(A) above upon Airline by written notice to Airline. In such event, Airline shall provide County with the required Contract Security within ten (10) days after receipt of County's written notice and shall thereafter maintain such Contract Security through the remainder of the Term. County's rights under this Section shall be in addition to all other rights and remedies available to County either by law or under the terms and conditions of this Agreement.
- D. The parties acknowledge and agree that any Contract Security provided by Airline will not be considered "property of the estate" for purposes of the United States Bankruptcy Code, it being understood that any Contract Security is property of the third party providing it (subject to County's ability to draw against the Contract Security) and that all PFCs collected by Airline with respect to Enplaned Passengers at the Airport (other than any portion for Airline's expenses or that is reimbursable to a ticket purchaser), are property of County.
- E. Notwithstanding any provision of this Agreement to the contrary, failure to maintain Contract Security as required herein shall constitute an Event of Default and shall be grounds for termination of this Agreement in accordance with Section 12.03 of this Agreement.

6.08 Passenger Facility Charges. County shall have the right to assess and collect Passenger Facility Charges in accordance with applicable laws and regulations. Proceeds of Passenger Facility Charges shall be used for projects which have been approved through the procedures established by the FAA.

6.09 Services by Airline. County reserves the right to assess and collect reasonable and non-discriminatory fees and charges for services or concessions provided by Airline to Air Transportation Companies, if such services or concessions would otherwise be available from a concessionaire, permittee or licensee of County.

6.10 No Further Charges. Except as otherwise provided for in this Agreement, no further fees or charges shall be charged against or collected from Airline, its passengers, its shippers and receivers of freight, its suppliers of material, its contractors or furnishers of services, by County, acting in its capacity as Airport proprietor, not in its governmental capacity, for the premises, facilities, rights, licenses, and privileges granted to Airline in this Agreement.

6.11 Accord and Satisfaction. In the event Airline pays any amount that is less than the amount stipulated to be paid under this Agreement, such payment shall be considered to be made only on account of the stipulated amount. No endorsement or statement on any check or letter shall be deemed an accord and satisfaction. County may accept any check or payment without prejudice to County's right to recover the balance due or to pursue any other remedy available to County pursuant to this Agreement or under the law.

## ARTICLE 7 - ADJUSTMENT OF RATES

### 7.01 Procedures.

- A. Rates for fees and charges payable hereunder shall be reviewed and adjusted annually by County in accordance with the provisions of this Article. Annual adjustments shall become effective each October 1<sup>st</sup> throughout the Term of this Agreement. In addition to the annual adjustment provided for in this Article, rates for fees and charges may also be adjusted by County: (1) in order to ensure compliance with Section 710 (rate covenant) of the Bond Resolution; or (2) at any time that financial data indicates that the total fees and charges calculated in accordance with the Rate and Fee Schedule are reasonably estimated by County to vary by more than ten percent (10%) from the total fees and charges that would be payable based upon the use of actual financial data to date for the Fiscal Year.
- B. Adjustments to rates for fees and charges shall apply without the necessity of formal amendment to this Agreement. County shall prepare and deliver to Airline a statement showing the calculation of the new rates for fees and charges pursuant to the Rate and Fee Schedule ("Statement of Rates") prior to the end of the then current Fiscal Year. The Statement of Rates shall become part of this Agreement without formal amendment hereto upon issuance of the Statement of Rates to Airline.
- C. If the annual adjustment of rates has not been completed by County on or before the beginning of a new Fiscal Year, the rates for fees and charges applicable to the preceding Fiscal Year shall continue to be paid by Airline until the rate adjustments have been completed by County. Upon the conclusion of the rate adjustments by County, any difference(s) between the actual fees and charges paid by Airline through the date of the adjustment for the then current Fiscal Year and the fees and charges that would have been paid by Airline during the same period using the adjusted rates shall be remitted to the party to whom it is due within sixty (60) days of County's delivery of the Statement of Rates to Airline.

## ARTICLE 8 - AIRLINE IMPROVEMENTS

8.01 Installation of Signs/Displays. Airline, at its sole cost and expense, shall have the right to install identification and informational signs regarding Airline's Air Transportation Services on and in the public areas of the Terminal. Signs shall be uniform in size, type and location with those of all other Air Transportation Companies operating at the Airport. The number, type, size, design and location of all signs shall be subject to the prior written approval of County, which approval shall not be unreasonably withheld. Airline acknowledges and agrees that County shall have no obligation whatsoever to approve usage of temporary signage such as banners, placards, or A-frame signs within the public areas of the Airport; the installation of signage or displays within areas of the Airport under the contractual control of others; the installation of advertising signage or displays within the public areas of the Airport; or religious, political or any other displays or signage unrelated to Airline's Air Transportation Services at the Airport. Notwithstanding the foregoing, corporate mark and logo signage installed by Airline on the walls facing the public behind leased ticket counter space and ticket lift shells, if any, shall not be required to be uniform as to type, size and design; provided, however, such signage shall be in accordance with any general standards established by County and subject to prior written approval of County, which approval shall not be unreasonably withheld.

### 8.02 Installation of Equipment.

- A. Airline may install, operate and maintain radio communication, meteorological and aerial navigation equipment and facilities within its offices or such other areas within the Airport licensed to Airline for such purposes. All equipment and facilities installed pursuant to this Section shall be in compliance with all applicable laws, rules, regulations and orders.
- B. Airline may install, operate and maintain communications systems, computer networking systems, teletype, telephone, interphone, message or pneumatic tubes, conveyor systems and power lines, which are reasonably required by Airline for the provision of its Air Transportation Services, in and between the Preferential Use Premises and Terminal within rights of way designated by County.
- C. Airline may install, operate and maintain the equipment provided for in this Section alone or in conjunction with other Air Transportation Companies operating at the Airport pursuant to an agreement with County. Any equipment installed, operated or maintained by Airline pursuant to this Article shall be at Airline's sole cost and expense.
- D. Airline shall obtain the prior written approval of County prior to installing or modifying any wireless communication system, which approval shall not be unreasonably withheld.

8.03 Installation of Improvements. Airline shall have the right to construct and install improvements to the Preferential Use Premises as Airline reasonably deems to be necessary for the operation of its Air Transportation Services subject to the terms and conditions of this Agreement. Airline shall obtain prior written approval of County for any improvements to be constructed or installed in the Preferential Use Premises, including associated plans and specifications and construction schedule(s), prior to construction or installation of the improvements, which approval shall not be unreasonably withheld. Airline may also be permitted to construct and install improvements in other areas of the Airport subject to the prior written consent of County, which consent may be granted or withheld in County's sole and absolute discretion. Except as otherwise provided for in this Article, any improvements constructed or installed by Airline shall be at Airline's sole cost and expense.

- A. Any work associated with such construction or installation shall not interfere with the operation of the Airport, Terminal or Aircraft Parking Apron, or otherwise unreasonably interfere with the permitted activities of other Airport tenants and users. Within sixty (60) days of substantial completion of improvements by Airline, as evidenced by a certificate of occupancy or completion, Airline shall deliver to County a complete set of as-built drawings (in hardcopy, PDF and Auto CADD formats).
- B. Any and all construction or installation shall be: (1) at the sole risk of Airline; (2) in accordance with all applicable federal, state and local codes, laws, the construction standards established by County, and the approved plans and specifications; and (3) shall be subject to inspection by County. Any improvements that are constructed in violation of this Article shall be removed or reconstructed in accordance with the requirements of this Article at Airline's sole cost and expense.
- C. Airline may be eligible for reimbursement of all or a portion of its construction costs for improvements constructed pursuant to this Section through credits against payments due from Airline to County hereunder ("Rental Credits"), subject to the prior written approval of County, which approval may be granted, withheld or conditioned in County's sole and absolute discretion. Rental Credits shall not exceed the actual, necessary costs of construction and shall be calculated and credited in a manner mutually acceptable to County and Airline. In the event Airline desires to be reimbursed for all or a portion of its construction costs pursuant to this Section, Airline shall comply with the following requirements:
  1. Prior to the commencement of construction, Airline shall submit a written request to County for approval of the proposed improvements with complete plans and specifications for the improvements to be undertaken by Airline. Airline shall indicate in its written request that it desires to be reimbursed for all or a portion of its construction costs through Rental Credits.

2. Prior to commencement of construction, Airline shall solicit at least three (3) price quotations from qualified construction firms for the construction of the approved improvements. Airline shall select the qualified firm having submitted the lowest quotation for all work for which Airline will be requesting Rental Credits, unless otherwise approved by County in advance, which approval may be granted, withheld or conditioned in County's sole and absolute discretion.
  3. Each request for reimbursement through Rental Credits shall be accompanied by documentation reasonably satisfactory to County evidencing the costs incurred by Airline to complete the approved improvements and Airline's compliance with the requirements of this Section 8.03(C), which documentation shall include evidence that Airline complied with the solicitation requirements set forth in Section 8.03(C)(2), a final cost statement and original invoices and receipts issued by the contractor, vendor or supplier. The final cost statement shall be certified as being true and correct by an authorized employee of Airline.
- D. All improvements made by Airline shall be the property of Airline until the expiration or earlier termination of this Agreement, at which time any improvements may, at County's option, become the property of County; provided, however, any trade fixtures, equipment, signs and other personal property of Airline, which are not permanently affixed to the Airline Premises, shall remain the property of Airline, except as otherwise provided in Section 12.05. Removal of or changes to any improvements constructed by Airline under the terms of this Agreement shall require the prior written approval of County, which approval shall not be unreasonably withheld or delayed with respect to Airline's Preferential Use Premises.

8.04 Maintenance of Signs, Equipment and Improvements. Any improvements installed or constructed by Airline pursuant to this Article shall be maintained in accordance with the Maintenance Schedule. In the event the type of improvement to be installed or constructed by Airline is not addressed in the Maintenance Schedule, Airline shall be responsible for maintenance of the improvement unless otherwise agreed to in writing by the Department.

8.05 Construction Bonds. Airline shall cause all improvements to be constructed to completion in accordance with the approved plans and specifications and that all Persons performing work or providing materials relating to such improvements including, but not limited to, all contractors, subcontractors, laborers, materialmen, suppliers and professionals, are paid in full for such services and materials. Prior to the commencement of any improvements, the estimated cost of which exceeds Fifty Thousand Dollars (\$50,000), Airline, at its sole cost and expense, shall cause to be made, executed and delivered to County a bond for the estimated cost of the improvements, drawn in a form and issued by a company reasonably acceptable to County, guaranteeing compliance by Airline of its obligations arising under this Section. County shall be named as a dual obligee on the bond(s). In lieu of the bond required by this Section, Airline may file with County an alternative form of security for the estimated cost of the improvements in the

form of cash, a money order, a certified check, a cashier's check, a clean irrevocable letter of credit, or a security of a type listed in Part II of Chapter 625, Florida Statutes; provided, however, the form of the security and company issuing such security, if applicable, shall be subject to the prior written approval of County. Any such alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the bond required by this Section. Any such alternative form of security may be reduced by Airline, subject to County's approval, which approval shall not be unreasonably withheld or denied, during the construction of the improvements, but not more than once per month, in an amount equal to the percentage of completion of the improvements multiplied by the original amount of the security.

8.06 Contractor Requirements. Airline shall require contractors to furnish for the benefit of County a public construction bond as required under Section 255.05, Florida Statutes, in a form approved by County. Airline shall require its contractors to name County as a dual obligee on the bond(s). Airline shall also require contractors to furnish satisfactory evidence of statutory Workers' Compensation insurance, comprehensive general liability insurance, comprehensive auto insurance, and physical damage insurance on a Builder's Risk form with the interest of County endorsed thereon, in such amounts and in such manner as the Risk Management Department may reasonably require. The Risk Management Department may require additional insurance for any alterations or improvements approved hereunder, in such amounts as the Risk Management Department reasonably determines to be necessary.

8.07 No Liens. Airline covenants and agrees that nothing contained in this Agreement shall be construed as consent by County to subject the estate of County to liability under the Construction Lien Law of the State of Florida, it being expressly understood that County's estate shall not be subject to such liability. Airline shall notify any and all Persons performing work for Airline at the Airline Premises or providing materials relating to any improvements made by Airline to the Airline Premises of this provision of this Agreement. If so requested by County, Airline shall file a notice satisfactory to County in the Public Records of Palm Beach County, Florida, stating that County's interest shall not be subject to liens for improvements made by Airline. In the event that a construction lien is filed against the Airline Premises or other County property in connection with any work performed by or on behalf of Airline, Airline shall satisfy such claim, or transfer same to security, within thirty (30) days from the date of filing. In the event that Airline fails to satisfy or transfer such claim within said thirty (30) day period, County may do so and thereafter charge Airline, and Airline shall promptly pay to County upon demand, as Additional Rent, all costs incurred by County in connection with the satisfaction or transfer of such claim, including attorney's fees. Further, Airline agrees to indemnify, defend, and save County harmless from and against any damage or loss incurred by County as a result of any such construction lien.

8.08 Title to Improvements. Except as otherwise provided for herein, all fixtures and improvements that are constructed or placed upon the Airport Premises, excluding furnishings, equipment and trade fixtures, shall become the absolute property of County upon termination or expiration of this Agreement and County shall have every right, title, and interest therein, free and clear of any liens, mortgages or encumbrances. Notwithstanding the foregoing, all fixtures and improvements that are constructed or placed upon the Airport Premises for which Airline is entitled to receive Rental Credits pursuant to this Article, shall become the absolute property of County upon installation and County shall have every right, title, and interest therein, free and clear of any

liens, mortgages or encumbrances. Upon the request of County, Airline shall provide County with a bill of sale or other evidence of the transfer of ownership of improvements pursuant to this Section together with evidence satisfactory to County that the improvements are free from liens, mortgages and other encumbrances. In the event Airline receives Rental Credits for the installation or construction of an improvement pursuant to this Article, Airline agrees to assign any warranties applicable to such improvements to County or require that such warranties be made in favor of County.

## ARTICLE 9 - DAMAGE OR DESTRUCTION

9.01 Minor Damage. If any portion of the Airline Premises, or adjacent facilities directly and substantially affecting the use of the Airline Premises, shall be partially damaged by fire or other casualty, but such damage does not render the Airline Premises untenable, as reasonably determined by County, County shall repair the damaged portion of the Airline Premises as soon as reasonably practicable under the circumstances, subject to the limitations set forth in this Article. No abatement in the fees and charges payable hereunder shall be provided to Airline so long as the Airline Premises remains tenable and County is actively pursuing repairs to the affected Airline Premises.

9.02 Substantial Damage. If any portion of the Airline Premises, or adjacent facilities directly and substantially affecting the use of the Airline Premises, shall be so extensively damaged by fire or other casualty as to render any portion of the Airline Premises untenable, but capable of being repaired, as reasonably determined by County, County shall use Commercially Reasonable efforts to repair the untenable portion(s) of the Airline Premises subject to the limitations set forth in this Article. In such case, any fees and charges payable hereunder with respect to the portion of the Airline Premises rendered untenable by the casualty shall be paid up to the time of such damage, and shall thereafter be abated equitably in direct proportion as the part and type of the Airline Premises rendered untenable bears to the total Airline Premises until such time as the untenable portion of the Airline Premises shall be repaired adequately, as reasonably determined by County and Airline, for use by Airline. To the extent available, County shall provide Airline with alternate facilities to continue its operations while repairs are being completed, at a rate not to exceed that provided herein for space comparable to that portion of the Airline Premises that was rendered untenable.

9.03 Destruction.

- A. If any portion of the Airline Premises, or adjacent facilities directly and substantially affecting the use of the Airline Premises, shall be damaged by fire or other casualty, and is so extensively damaged as to render any portion of the Airline Premises not economically feasible to repair, as reasonably determined by County, County shall notify Airline within a period of ninety (90) days after the date of such damage of its decision whether or not to repair the untenable portion(s) of Airline Premises or adjacent facilities ("Election Notice"); provided, however, County shall be under no obligation to Airline to repair the untenable Airline Premises or adjacent facilities. The fees and charges payable hereunder with respect to the untenable portion of the Airline Premises shall be paid up to the time of

such damage and thereafter shall abate until such time as the repaired or replacement Airline Premises, if any, shall be available for use by Airline. Any reconstruction or repairs by County shall be subject to the limitations of this Article.

- B. In the event County elects to repair the untenable portion(s) of the Airline Premises, the parties shall meet within sixty (60) days of the Election Notice to coordinate and agree upon a reasonable schedule for repairs. To the extent replacement space is available, County shall provide Airline with replacement space to continue its operations hereunder while repairs are being completed at a rate not to exceed that provided for herein for comparable space.
- C. In the event County elects not to repair the untenable portion(s) of the Airline Premises, the license granted to Airline to use the untenable portion(s) of the Airline Premises shall be terminated, and the parties shall meet within sixty (60) days of the Election Notice to discuss the ways and means to permanently provide Airline with adequate space to replace the untenable portion(s) of the Airline Premises. In event the parties reach agreement regarding the provision of replacement space, the parties agree to amend this Agreement to reflect the modified Airline Premises. If the parties are unable to reach an agreement regarding the provision of replacement space, and the remaining tenable portion of Airline Premises is not sufficient to permit Airline to maintain its current operations at the Airport, Airline may terminate this Agreement upon prior written notice to County, provided that such notice must be given no less than sixty (60) days after the date of County and Airline's meeting to discuss the provision of replacement space.
- D. In the event the Terminal, Airport or substantially all of the Airline Premises is so extensively damaged to render the Terminal, Airport or Airline Premises not economically feasible to repair, as reasonably determined by County, and replacement space is not available, then either party may terminate this Agreement upon thirty (30) days prior written notice to the other party.

9.04 Damage Caused by Airline. Notwithstanding any provision of this Agreement to the contrary, in the event that the Airline Premises is damaged or destroyed due to the willful act, omission, or negligence of Airline or of any Airline Party, there shall be no abatement of the fees and charges payable hereunder during the repair or replacement period, and Airline shall not have the option to terminate this Agreement. To the extent that insurance does not apply, coverage is denied, or the costs of the repairs exceed the amount of any insurance proceeds paid to County by reason of such damage or destruction, Airline shall pay to County the amount of County's cost to repair, replace or reconstruct the Airline Premises less the amount of insurance proceeds paid to County or Airline may, at its option, repair, replace or reconstruct the Airline Premises to the reasonable satisfaction of County.

9.05 Insurance Proceeds. Airline shall use the insurance proceeds received by Airline by reason of damage or destruction of the Airline Premises, if any, to pay for the cost of repairing any improvements made by Airline to the Airline Premises. If the amount of the insurance proceeds received by Airline is in excess of the costs of repair, such excess amount shall be retained by Airline.

9.06 County's Obligation. County's obligations to repair or reconstruct under the provisions of this Article shall be limited to repairing or reconstructing damaged facilities to substantially the same condition that existed prior to any improvements made by Airline and shall further be limited to the extent of insurance proceeds available to County for such repair or reconstruction. County shall in no way be responsible for the repair or replacement of any equipment, furnishings, trade fixtures, signs or other personal property damaged or destroyed by fire or other casualty, unless such damage was caused by the willful act, omission, or negligence of County or a County Party. In the event County or Airline elects to repair or reconstruct the Airline Premises as provided for in this Article, Airline, at its sole cost and expense, shall reconstruct or replace the improvements installed by Airline in or about the Airline Premises in a manner and in a condition at least equal to that which existed prior to its damage or destruction. Nothing in this Article shall be construed as providing for an abatement of any fees or charges, which are based upon Airline's activity at the Airport, including, but not limited to, Landing Fees, Environmental Operating Fees, Commuter Operating Charges and Federal Inspection Services Facility Fees.

#### **ARTICLE 10 - INDEMNIFICATION**

Except as provided in Section 11.02, Airline shall protect, defend, reimburse, indemnify and hold County and the County Parties and each of them free and harmless at all times from and against any and all liability, losses, expenses, costs, suits, claims, judgments, fines and damages (including reasonable attorney fees at trial and appellate levels) and causes of action of every kind and character (hereinafter collectively referred to as, "Damages"), or in which County or a County Party is named or joined, arising out of Airline's or an Airline Party's breach of this Agreement or the use or occupancy of the Airline Premises or Airport by Airline or an Airline Party, including, but not limited to, those arising by reason of any damage to property or the environment, or bodily injury (including death) incurred or sustained by any party hereto, any agent or employee of any party hereto, and any third party or other Person whomsoever, or any governmental agency, arising out of or incident to or in connection with the condition of the Airline Premises, Airline's or an Airline Party's acts, omissions or operations at the Airport, or the performance to the extent caused by Airline or an Airline Party, non-performance or purported performance of Airline or an Airline Party or any breach by Airline or an Airline Party of the terms of this Agreement; provided, however, Airline shall not be responsible for Damages that are determined by a court of competent jurisdiction to be attributable to the negligence or willful misconduct of County or a County Party or a direct result of a breach of this Agreement by County. Nothing herein shall be deemed to abrogate Airline's common law or statutory rights to contribution from County for liability legally established as attributable to County's negligence. Each party shall give to the other reasonable notice of any such claims or actions. Airline recognizes the broad nature of this indemnification and hold-harmless clause, and acknowledges that County would not enter into this Agreement without the inclusion of such clause, and voluntarily make this covenant and expressly acknowledges the receipt of Ten Dollars (\$10.00) and such other good and valuable consideration

provided by County in support of this indemnification in accordance with the laws of the State of Florida. The obligations arising under this Article shall survive the expiration or termination of this Agreement.

#### **ARTICLE 11 - INSURANCE**

11.01 Insurance Requirements. In addition to such insurance as may be required by law or regulation, Airline, at its sole cost and expense, shall maintain in full force and effect throughout the Term of this Agreement the insurance coverages, limits and endorsements required herein. Neither the requirements contained in this Article, nor County's review or acceptance of insurance, shall in any manner limit or qualify the liabilities and obligations assumed by Airline hereunder.

- A. Aircraft Liability Insurance. Airline shall maintain Aircraft Liability Insurance with respect of all aircraft owned, leased or operated by Airline, including Passenger, Bodily Injury (including death) and Property Damage Liability in a Combined Single Limit Amount of not less than One Hundred Million Dollars (\$100,000,000) Each Occurrence.
- B. Business Automobile Liability Insurance. Airline shall maintain Business Automobile Liability Insurance covering all Owned, Hired, and Non-Owned Vehicles used on the Airport in an amount of not less than One Million Dollars (\$1,000,000) Combined Single Limit Each Occurrence for Bodily Injury (including death) and Property Damage Liability; provided, however, that if the scope and conduct of Airline's operations under this Agreement require vehicle access to the aircraft operations area, Airline shall maintain Business Automobile Liability Insurance in an amount not less than Five Million Dollars (\$5,000,000) Combined Single Limit Each Occurrence for Bodily Injury (including death) and Property Damage Liability. Notwithstanding the foregoing, if the scope and conduct of Airline's operations under this Agreement do not involve the operation, ownership or use of any vehicle, then this requirement shall include automobile liability for Hired & Non-Owned vehicles only.
- C. Aviation Liability/Commercial General Liability Insurance. Airline shall maintain Aviation Liability/Commercial General Liability Insurance at limits of not less than: (1) Fifty Million Dollars (\$50,000,000) in the event Airline is operating aircraft with fifty (50) seats or less, or (2) One Hundred Million Dollars (\$100,000,000) in the event Airline is operating aircraft with more than fifty (50) seats each with a Combined Single Limit Each Occurrence, subject to sub-limits and annual aggregates, where applicable, for Personal Injury (Twenty Five Million Dollar (\$25,000,000) sub-limit for Personal Injury to non-passengers), Bodily Injury (including death) and Property Damage and shall include, but not be limited to, Premises and Operations, Personal Injury, Products and Completed Operations, Contractual Liability. In the event Airline is authorized to serve alcoholic beverages on the Airport, Airline shall provide an endorsement to the Airline Liability/Commercial General Liability Insurance or separate

coverage for Liquor Liability in an amount not less than One Million Dollars (\$1,000,000) per occurrence.

- D. Workers' Compensation Insurance. Airline shall maintain Workers' Compensation Insurance applying to all employees for Statutory Limits in compliance with Chapter 440, Florida Statutes and applicable federal laws. Coverage shall include Employer's Liability with minimum limits of One Million Dollars (\$1,000,000) Each Accident, One Million Dollars (\$1,000,000) Disease Policy Limit, and One Million Dollars (\$1,000,000) Disease Each Employee. In the event Airline subcontracts any portion of the work or services under this Agreement to another party, Airline shall be responsible for ensuring its subcontractors maintain Workers' Compensation and Employer's Liability Insurance.

11.02 Waiver of Subrogation. County and Airline hereby mutually waive any and all rights of recovery against the other party arising out of damage or destruction of the Airport, Airline Premises or any other property from causes included under any property insurance policies to the extent such damage or destruction is covered by the proceeds of such policies but only to the extent that the insurance policies then in force permit such waiver. When required by an insurer, or if a policy condition will not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, Airline shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. The foregoing requirements shall not apply to any policy that specifically prohibits such an endorsement or voids coverage if Airline enters into such an agreement on a pre-loss basis.

11.03 Additional Insured. Airline shall endorse County as "Additional Insured" on all liability policies, with the exception of Workers' Compensation/Employer's Liability, to the extent of Airline's contractual obligations hereunder. The "Additional Insured" endorsements shall provide coverage on a primary basis. The "Additional Insured" endorsement shall read: "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, and Employees", or as otherwise specified by County's Risk Management Department. The status of the Palm Beach County Board of County Commissioners, its officers and employees, and any other party as an Additional Insured under Airline's insurance policies shall not afford any such Additional Insured coverage for claims that arise by reason of the willful misconduct or negligence of the Additional Insured.

11.04 Certificate of Insurance. Airline shall deliver to County or County's designated contractor certificate(s) of insurance, evidencing the coverages and amounts required hereunder prior to the Effective Date. The certificate(s) of insurance shall clearly state that Palm Beach County is an "Additional Insured" as required herein. Certificate(s) of insurance shall also endeavor to provide thirty (30) days written notice to County prior to cancellation (ten (10) days for nonpayment of premium) or non-renewal of coverage. The Certificate Holder address shall read: "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, and Employees, c/o Department of Airports, 846 Palm Beach International Airport, West Palm Beach, FL 33406-1470 (e-mail: [properties@pbia.org](mailto:properties@pbia.org))", or as otherwise approved or modified by County. Notwithstanding any provision of this Agreement to the contrary, Airline's failure to maintain all insurance policies required herein shall constitute an Event of Default of this Agreement

by Airline, entitling County to exercise any remedies available to it under this Agreement, at law and in equity, including the right to immediately terminate this Agreement. County may modify the endorsement language required pursuant to this Article upon written notice to Airline.

11.05 Claims-Made Liability. When any of Airline's liability insurance policies is provided under a Claims-Made Liability form, Airline agrees to the following additional special conditions:

- A. The Certificate of Insurance issued to County shall clearly indicate whether the Claims-Made Liability form applies, include the retroactive date of coverage and indicate if the limits are subject to annual aggregate. In the event aggregate limits are applicable, Airline agrees to maintain an aggregate limit not less than three (3) times the "per occurrence" limit of liability required in Sections 11.01 (A) – (C) above.
- B. Airline shall purchase a Supplemental Extended Reporting Period providing an additional reporting period of not less than three (3) years in the event a Claims-Made liability policy is canceled, non-renewed, switched to an Occurrence Form, renewed with an advanced retroactive date, or any other event triggering the right to purchase a Supplemental Extended Reporting Period during the Term of this Agreement. All insurance policies required hereunder may be written to include a reasonable deductible or self-insured retention, unless otherwise stated or limited. Limits on said deductible amounts may be subject to review and approval. When requested, Airline shall submit a copy of most recent financial statement in order to justify a particular deductible or self-insured retention amount.

11.06 Umbrella Liability Insurance or Excess Liability Insurance. Umbrella or Excess Liability Insurance may be used to reach the limits of liability required for the Airline Liability Policy, Aircraft Liability Policy and Business Automobile Policy.

11.07 Right to Review. Required insurance shall be subject to the review, acceptance, and approval of County, in its reasonable discretion, as to form and types of coverage. County, by and through its Risk Management Department, in cooperation with the Department may reasonably adjust the limits of coverage required hereunder from time-to-time throughout the Term of this Agreement; provided, however, any adjustment to the limits of the required insurance shall be consistent with the limits established by other comparable airports within the United States. All insurance shall be issued by responsible insurance companies, which may be Airline's captive, deemed to be reasonably acceptable to County. County may reject any insurer or self-insurance plan providing coverage because of poor financial condition or failure to operate legally. In such event, County shall provide Airline written notice of such adjusted limits or rejection and Airline shall comply within thirty (30) days of receipt thereof. Airline shall be responsible for any premium revisions as a result of any such reasonable adjustment. The acceptance of delivery to County of any certificate(s) of insurance evidencing the insurance coverages and limits required under this Agreement shall not constitute approval or acceptance by County that the insurance requirements have been met.

11.08 Invalidation of Policies. Airline shall not knowingly use or permit the use of the Airline Premises for any purpose which would invalidate any policies of insurance, now existing or hereafter written on the Airline Premises or Airport for County or Airline. In the event Airline's acts or failure to act shall cause cancellation of any policy, then Airline shall immediately, prior to notification by County, take such action as is necessary to reinstate or replace the required insurance.

11.09 Deductibles, Coinsurance & Self-Insured Retention. Airline shall be fully and solely responsible for any deductible, coinsurance penalty or self-insured retention, including any losses, damages or expenses not covered due to an exhaustion of limits or failure to comply with the policy.

11.10 No Representation of Coverage Adequacy. Airline acknowledges the limits, coverages and endorsements required by this Article are intended to minimize liability for County. Airline agrees that it will not rely upon the requirements of this Article when assessing the extent or determining appropriate types or limits of insurance coverage to protect Airline against any loss exposures, whether as a result of this Agreement or otherwise.

## **ARTICLE 12 - EXPIRATION, DEFAULTS, REMEDIES AND TERMINATION**

12.01 Expiration/Termination. This Agreement shall terminate upon expiration of the then current term, unless automatically renewed or terminated earlier in accordance with the provisions of this Agreement.

12.02 Default. The occurrence of any one or more of the following events shall constitute a material default and breach of this Agreement by Airline ("Event of Default"):

- A. The vacation or abandonment of the Airline Premises by Airline for a period of more than ninety (90) consecutive days, without prior written consent of County, which consent may be granted or withheld in County's sole and absolute discretion.
- B. The failure by Airline to pay any fees or charges payable hereunder or under a Facilities Use Permit, as and when due, where such failure shall continue for a period of fifteen (15) days after receipt of written notice thereof from County to Airline.
- C. The failure by Airline to observe or perform any of the covenants, conditions or provisions of this Agreement or a Facilities Use Permit to be observed or performed by Airline, where such failure continues for a period of thirty (30) days after receipt of written notice thereof from County to Airline, provided, however, that if the nature of Airline's default is such that more than thirty (30) days are reasonably required for its cure, then Airline shall not be deemed to be in default if Airline commences such cure within such thirty (30) day period and thereafter diligently pursues such cure to completion. Nothing contained in this subsection shall be deemed to alter or affect the cure period for performance of any covenant, condition or provision for which a specific time period is provided elsewhere in this Agreement.

- D. To the extent permitted by law, (1) the making by Airline or any guarantor hereof of any general assignment, or general arrangement for the benefit of creditors; (2) the filing by or against Airline of a petition to have Airline adjudged bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy [unless, in the case of a petition filed against Airline, the same is dismissed within sixty (60) days]; (3) the appointment of a trustee, custodian or receiver to take possession of substantially all of Airline's assets located at the Airline Premises or of Airline's interest in this Agreement, where possession is not restored to Airline within thirty (30) days; or (4) the attachment, execution or other judicial seizures of substantially all of Airline's assets located at the Airline Premises or of Airline's interest in this Agreement, where such seizure is not discharged within thirty (30) days.
- E. The discovery by County that any material information given to County by Airline relating to this Agreement was false, and Airline knew such information to be false at the time it was given to County.
- F. The failure of Airline to provide and keep in force insurance coverage in accordance with Article 11.
- G. The failure of Airline to remit PFCs within the time frame required by 14 CFR Part 158 where such failure continues for a period of sixty (60) days after receipt of written notice thereof from County to Airline.
- H. Any other material default and breach of this Agreement specifically identified as an Event of Default.

12.03 Remedies. In the event of an Event of Default by Airline, County may at any time thereafter, without limiting any other right or remedy that County may have under the law by reason of such Event of Default, elect to exercise any of the following remedies:

- A. Terminate Airline's license to use the Airline Premises by any lawful means and reenter and retake possession of the Airline Premises for the account of Airline, in which case the fees and charges and other sums due hereunder shall be accelerated and due in full and Airline shall be liable for the difference between the fees and charges which are stipulated to be paid hereunder plus other sums as described herein and what County is able to recover from its good faith efforts to reassign the Airline Premises, which deficiency shall be paid by Airline. Upon the reassignment of the Airline Premises, all amounts received by County shall be applied: (1) to the payment of any indebtedness other than fees and charges due hereunder from Airline; (2) to the payment of any costs and expenses for such reassignment, which shall include all damages reasonably incurred by County due to Airline's default, including, but not limited to, the cost of recovering possession of the Airline Premises, including reasonable attorney's fees, and reasonable expenses relating to the renovation or

alteration of the Airline Premises; (3) to the payment of fees and charges due and unpaid hereunder; and the residue, if any, shall be paid to Airline.

- B. Terminate this Agreement and reenter and retake possession of the Airline Premises for the account of County, thereby terminating any further liability under this Agreement on the part of Airline and County. Notwithstanding the foregoing, County shall have a cause of action to recover any fees and charges remaining unpaid when County retakes possession of the Airline Premises for the account of County.
- C. Stand by and do nothing, holding Airline liable for the fees and charges as they come due.
- D. Pursue any other remedy now or hereafter available to County under the laws and judicial decisions of the State of Florida.

Notwithstanding the foregoing, in the event Airline commits an Event of Default, and at the same time or thereafter renounces this Agreement in its entirety, County shall have the right to bring an action for its damages.

12.04 Termination by Airline. Airline may terminate this Agreement, if Airline is not in default of this Agreement (including, but not limited to, its payments to County hereunder) by giving County sixty (60) days advance written notice to be served as hereinafter provided, upon or after the happening of any one of the following events:

- A. The issuance by any court of competent jurisdiction of an injunction in any way preventing the use of the Airport for Airport purposes or a substantial part of the Airline Premises, which injunction remains, or would remain in full force for a period of at least ninety (90) days.
- B. The default by County in the performance of any material covenant or material agreement herein required to be performed by County and the failure of County to remedy such default for a period of thirty (30) days after receipt from Airline of written notice to remedy same; provided, however, that no notice of termination, as provided herein, shall be of any force or effect if County shall have remedied the default prior to receipt of Airline's notice of termination; or in the event the same cannot be cured within such thirty (30) day period and County has commenced such cure and thereafter diligently pursues the same until completion.
- C. The lawful assumption by the United States Government or any authorized agency thereof, of the operation, control, or use of the Airport and facilities, or any substantial part or parts thereof, in a manner which substantially restricts, or is scheduled to substantially restrict, the operation of Airline, for a period of at least ninety (90) days.

12.05 Surrender of Premises. Airline expressly agrees that it shall immediately surrender the Airline Premises to County in good and fit condition upon expiration or earlier termination of this Agreement, depreciation and wear from ordinary use for the purpose for which the Airline Premises were licensed being excepted. All repairs and obligations for which Airline is responsible shall be completed by the earliest practical date but in no event later than ten (10) Business Days after the date of the expiration or termination. Airline shall remove all of its personal property from the Airline Premises in accordance with the requirements of Section 12.06. County may require Airline to return the Airline Premises free and clear of some or all improvements made by Airline, at Airline's sole cost and expense. In such event, County shall provide written notification to Airline of its election to require removal of improvements and, to the extent possible, County shall notify Airline at least sixty (60) days prior to the effective date of such expiration or earlier termination. Airline shall have sixty (60) days from date of County's notice within which to remove the improvements. In the event Airline fails to timely remove the improvements or restore the Airline Premises to good and fit condition as provided above, County may remove the improvements and restore the Airline Premises at Airline's sole cost and expense. Airline shall reimburse County for County's direct labor and material removal and restoration costs plus a twenty five percent (25%) administrative overhead within thirty (30) days of the date of County's invoice. Airline's obligation to reimburse County for removal of improvements pursuant to this Section shall survive the expiration or earlier termination of this Agreement until County has received full reimbursement.

12.06 Removal of Personal Property.

- A. Airline shall not abandon any personal property at the Airport without the written consent of County, which consent may be granted or withheld in County's sole and absolute discretion. Any property owned by County that is damaged by or as a result of the removal of property owned by Airline shall be restored by Airline to the condition existing before such damage, at Airline's sole cost and expense. In the event Airline fails to timely restore the damaged property, County may restore the damaged property at Airline's sole cost and expense. Airline shall reimburse County for County's direct labor and material restoration costs plus a twenty five percent (25%) administrative overhead within thirty (30) days of the date of County's invoice.
- B. Any personal property of Airline not removed in accordance with this Section, at the option of County, may be removed and placed in storage by County at the sole cost of Airline, or may become the property of County, all at no cost to County. In the event County does not elect to take ownership of the property, it may dispose of same by either public or private sale and retain the proceeds thereof. Any costs of removal and disposition not covered by such proceeds shall be borne by Airline.

12.07 Holdover. In the event Airline fails to surrender possession of the Airline Premises, or any portion thereof, after the expiration or earlier termination of this Agreement, Airline shall continue to pay to County, for so long as Airline shall remain in possession thereof, all fees and charges payable by Airline hereunder, and County may also elect to assess an additional ten percent

(10%) charge on all fees and charges payable hereunder during such period if Airline holds over without the prior written consent of County, which consent may be granted or withheld in County's sole and absolute discretion. The foregoing provisions shall not serve as permission for Airline to holdover, nor serve to extend the Term of this Agreement; provided, however, Airline acknowledges and agrees that, Airline shall remain bound to comply with all the provisions of this Agreement during any holdover period until Airline vacates the Airline Premises or enters into a new agreement with County. Airline shall indemnify and hold County and the County Parties harmless from any claims, damages or liabilities arising out of such unauthorized possession by Airline. Airline's obligations under this Section shall survive the expiration or earlier termination of this Agreement. Nothing in this Section shall be deemed to waive any legal remedies County may have against Airline and County shall be entitled to exercise any and all available legal remedies for Airline's failure to surrender the Airline Premises upon the expiration or earlier termination of this Agreement.

#### **ARTICLE 13 - ASSIGNMENT, SUBLICENSING AND HANDLING AGREEMENTS**

13.01 Assignment by Airline. Except as otherwise provided for herein, Airline shall not in any manner assign, transfer, mortgage, pledge, encumber, hypothecate or otherwise convey an interest in this Agreement, or any portion of the Airline Premises, without the prior written consent of County ("Assignment"), which consent may be granted or withheld in County's sole and absolute discretion. Notwithstanding the foregoing, the consent of County shall not be withheld for an Assignment of this Agreement in its entirety where all or substantially all of the assets of Airline are acquired by another entity by reason of a merger or consolidation or where the Assignment will be in favor of a corporation controlling, controlled by or under common control with Airline; provided that the successor entity agrees to assume all obligations of Airline hereunder and to comply with terms and conditions set forth in this Agreement. Airline further agrees to provide County with such documentation relating to the merger or consolidation of Airline and the successor entity as County requires in its reasonable discretion.

13.02 Sublicensing by Airline. Airline shall not grant a sublicense authorizing a third party to use the Airline Premises, or any portion thereof, without the prior written consent of County, which consent may be granted or withheld in County's sole and absolute discretion. In the event County gives its consent to a sublicense and County has substantially similar space available that is not under the contractual control of another or if County can make such space available for use within a reasonable period of time, Airline acknowledges and agrees that its sublicensee shall be required to pay a Per Use Gate Fee to County for use of Airline's gate and a Per Use Ticket Counter Charge to County for use of Airline's ticket counter. Use of the Preferential Use Premises, or any portion thereof, by any Person other than Airline or its service providers shall be deemed to be a "sublicense" for purposes of this Agreement.

#### 13.03 Assignment and Sublicensing Documents.

- A. In the event Airline requests permission to enter into an Assignment or sublicense, the request shall be accompanied by a copy of the proposed agreement. The portion of the Airline Premises to be sublicensed and the amount to be charged shall be specified for sublicenses, and the consideration and parties in interest shall be specified in a request for

Assignment. Airline shall promptly provide any other information reasonably requested by County pertaining to the sublicense or Assignment. Airline shall deliver a fully executed copy of such agreement to County no later than thirty (30) days prior to the occupancy of the Airline Premises, or any portion thereof, by the sublicensee or assignee.

- B. In the event of a sublicense in which the fees and charges for the sublicensed premises exceed the fees and charges payable by Airline for the sublicensed premises pursuant to this Agreement, Airline shall pay to County the excess of the fees and charges received from the sublicensee over that specified to be paid by Airline herein; provided, however, that Airline may charge a reasonable fee for administrative costs in an amount not to exceed twenty five percent (25%) of the specified sublicense fee, which fee shall not be considered excess fees and charges. Airline shall also have the right to charge a reasonable fee to others for the use of Airline's capital equipment and to charge for use of utilities and other services being paid for by Airline.

13.04 Handling Agreements. In the event Airline agrees to ground handle any portion of the operations of another Scheduled Air Carrier, Airline shall provide County advance written notice of such proposed handling services, including a description of the type and extent of services to be provided. Notwithstanding the foregoing, Airline shall not ground handle another Scheduled Air Carrier without the prior written consent of County if such Scheduled Air Carrier does not have a validly executed operating agreement with County, which consent may be granted or withheld in County's sole and absolute discretion.

13.05 General.

- A. No Assignment or sublicense agreement shall release Airline from its obligations hereunder, including, but not limited to, the obligation to pay the fees and charges provided herein.
- B. This Article shall be applicable to licenses and any other arrangements by which a third party may obtain any benefits of Airline's rights and privileges hereunder; provided, however, for purposes of clarification and not by way of limitation, this Article is not intended to apply to a Person using the Airline Premises to provide services to Airline. Notwithstanding the foregoing, subject to County's prior written consent, other Air Transportation Companies having prior arrangements with Airline may use the Airline Premises on a temporary basis pursuant to and in accordance with the provisions of this Article.
- C. This Article shall be construed to include a prohibition against any assignment, mortgage, pledge, encumbrance or sublicense by operation of law, legal process, receivership, bankruptcy or otherwise, whether voluntary or involuntary.

## ARTICLE 14 - AVAILABILITY OF ADEQUATE FACILITIES

### 14.01 General.

- A. Airline acknowledges County's objective to offer to all Air Transportation Companies desiring to serve Airport access to the Airport and to provide adequate facilities at the Airport. Recognizing that physical and financial limitations may preclude timely expansion of the Airport to meet the stated requests of Air Transportation Companies ("Requesting Airline") for additional facilities at the Airport, Airline acknowledges that it may be necessary for Air Transportation Companies operating at the Airport, including Airline, to share gate positions and other Airport facilities from time to time. Airline further acknowledges that County may also have a need to accommodate the immediate, non-recurring needs of an Air Transportation Company, such as charters, and flights delayed or diverted due to weather or mechanical reasons.
- B. It is the policy of County, to the extent reasonably practicable, to accommodate an Airport Transportation Company's need for additional facilities at the Airport in the following manner: (1) first, by entering into a direct agreement for the use of unassigned facilities with the Air Transportation Company; (2) second, by approving a sublicense agreement between an Air Transportation Company with an existing agreement with the County and a Requesting Airline; (3) third, by requiring an Air Transportation Company to accommodate a Requesting Airline; (4) fourth, through the reassignment of an existing Air Transportation Company's Preferential Use Premises in accordance with the provisions of this Article; and (5) fifth, through the expansion of Airport facilities, unless in the opinion of County, the physical, financial, or time limitations make expansion impractical.
- C. The parties acknowledge and agree that any accommodation agreement made by Airline with a Requesting Airline voluntarily, or pursuant to a directive from County, shall recognize Airline's right of Preferential Use to the Preferential Use Premises and the necessity that the Requesting Airline's operations be compatible with those of Airline.

### 14.02 Accommodation of Air Transportation Companies.

- A. Upon receipt of a request for an accommodation by a Requesting Airline, County will require the Requesting Airline to first coordinate directly with the Air Transportation Companies currently operating at the Airport if the Airport facilities being requested, such as gate positions, are not available. Airline shall cooperate in good faith with County to accommodate the needs of a Requesting Airline by permitting such Requesting Airline to utilize Airline's Preferential Use Premises for such time period(s) as reasonably necessary to permit the Requesting Airline's scheduled operations at such

times when the use of such facilities will not interfere with Airline's operations, approved sub-licensees or Air Transportation Companies being handled by Airline.

- B. In the event a Requesting Airline and the Air Transportation Companies currently operating at the Airport are unable to reach an agreement regarding the Requesting Airline's requested accommodation, County will determine whether any Air Transportation Company operating at the Airport, including Airline, has the ability to accommodate any or all of such Requesting Airline's proposed operations. If County determines that Airline has the ability to accommodate the Requesting Airline's proposed operations, County will notify Airline in writing of its determination. In the event Airline objects to County's determination, Airline may notify County of its objection within fifteen (15) days of the date of County's notice, which shall include the reasons why Airline believes that it will be unable to accommodate the Requesting Airline. In making its final determination, County shall consider Airline's capabilities, capacity, facilities, plans for future operations, and personnel, Airline's requirements and contractual obligations, the compatibility of the Requesting Airline's proposed operations with those of Airline, and the need for labor harmony. If County, after considering the information, if any, provided by Airline, reasonably determines that Airline has the capability to accommodate a Requesting Airline, County may direct Airline, in writing, to accommodate the Requesting Airline to the extent of, and during those periods when, County deems reasonable and shall provide Airline and the Requesting Airline with a written statement specifying the terms and conditions of the accommodation.
- C. Notwithstanding the foregoing, in no event shall the requirements of this Section be construed to authorize County to require Airline to alter its scheduled operations, or those of its sublicensees and Air Transportation Companies that are ground handled by Airline, in order to accommodate a Requesting Airline.

14.03 Accommodation of Specific Flights.

- A. Airline shall cooperate in good faith with County to accommodate specific flights of other Air Transportation Companies from time to time, as deemed necessary by County, for situations, including, but not limited to, the following:
1. Unscheduled flights, including charters, diversions due to weather and other circumstances not otherwise accommodated or handled by other Air Transportation Companies operating at the Airport.

2. Scheduled flights for which the Air Transportation Company has no assigned gate(s) or its assigned gate(s) are occupied at the time its flight arrives.
- B. Airline shall not be required to accommodate other Air Transportation Companies pursuant to this Section if all of Airline's gate positions are occupied by Airline's flights or flights of other Air Transportation Companies already being accommodated or ground handled by Airline at the time a flight requiring accommodation will arrive; provided, however, the overnight parking of Airline's aircraft at a gate position, or at any other time beginning ninety (90) minutes following the arrival of an aircraft and ending one (1) hour before its scheduled departure shall not be deemed an occupied gate position for the purposes of this Article, provided that County has designated an alternative parking position for such aircraft.
  - C. If Airline accommodates another Air Transportation Company pursuant to this Section, Airline may charge such Air Transportation Company reasonable fees and charges for use of Airline's Preferential Use gate position, not to exceed one hundred twenty five percent (125%) of Airline's actual costs. Actual costs may include any costs incurred by Airline to move its aircraft from its Preferential Use gate position to accommodate the other Air Transportation Company.

14.04 Accommodation of Airline. Airline shall be entitled to the same rights of accommodation of its needs for use or lease of additional facilities as specified in this Article at any time that Airline requests accommodation or has individual flights needing to be accommodated pursuant to Section 14.03.

14.05 Indemnification Obligations. During the period of use of Airline's facilities by an Air Transportation Company at County's request or direction pursuant to this Article, Airline shall be relieved of its obligations under this Agreement to indemnify and save harmless County and the County Parties with regard to any claim for damages or personal injury arising out of or in connection with the accommodated Air Transportation Company's use of the Airline Premises unless such damage or personal injury is caused by the willful misconduct or negligence of Airline or any Airline Party. Airline shall have the right to require the accommodated Air Transportation Company to indemnify and insure Airline; provided that such requirements are consistent with the requirements of this Agreement.

14.06 Reassignment of Preferential Use Premises. County reserves the right to reassign one or more of Airline's gates located within Airline's Preferential Use Premises to another Air Transportation Company if: (1) Airline's scheduled average for any individual gate utilization falls below three (3) flights per gate per weekday (including flights of approved sublicensees, Air Transportation Companies that are ground handled by Airline, and other Air Transportation Companies accommodated by Airline); (2) County determines that there is a reasonable need for the Preferential Use of such gate(s) by another Signatory Airline; (3) the other Signatory Airline meets the required three (3) flights per gate per weekday minimum; (4) County has no available gate to assign to the other Air Transportation Company; and (5) there are no unassigned gates or other gates

used by other Air Transportation Companies with lower average weekday utilization. Prior to such reassignment becoming effective, Airline shall have a ninety (90) day period to adjust its schedule to three (3) or more flights per gate per week day to avoid reassignment. In the event of reassignment, Airline will be entitled to reimbursement, in the form of Rental Credits, for the replacement cost of improvements installed or constructed by Airline in Airline's existing Preferential Use Premises, if any, and reasonable relocation costs. The costs associated with extraordinary tenant improvements will not be reimbursed by County, unless approved in advance in writing by County, which approval may be granted or withheld in County's sole and absolute discretion. When determining specific Preferential Use Premises to be reassigned, County shall coordinate with Airline to ensure that the space Airline retains will be sufficient to support Airline's operations at the Airport.

14.07 Relocation Expenses. In an effort to optimize passenger flow and use of the Airport and/or to minimize the need for construction of improvements, County may request Airline to relocate its operations to alternate areas within the Terminal. Subject to the terms and conditions of this Agreement, and subject to Airline's consent to proposed relocation, Airline shall be eligible for reimbursement of its reasonable and necessary relocation costs, as approved by County, through Rental Credits. Relocation costs may include moving expenses, construction, signage, rewiring, and other costs incidental to the relocation. Prior to relocation, Airline shall submit a proposal outlining the necessary costs for the relocation, including any plans or specifications for construction, if any. Airline shall use Commercially Reasonable efforts to minimize costs. County shall retain the right to require competitive quotes for work submitted in the relocation proposal. Airline's request for reimbursement shall include documentation reasonably satisfactory to County evidencing the costs incurred by Airline to complete the relocation, including the documentation listed in Section 8.03(C)(3).

#### **ARTICLE 15 - MOBILE LIFT DEVICES**

15.01 Mobile Lift Devices. Airline and County acknowledge that they may be required to enter into an agreement allocating responsibility for meeting the boarding assistance requirements of 14 CFR Part 382 and 49 CFR Part 27, as may be amended. In the event Airline does not provide passenger boarding by level-entry loading bridges, County shall make available to Airline, on a nonexclusive basis, a mechanical boarding assistance device ("Lift Device") to be used solely for the purpose of loading and unloading passengers from aircraft owned or operated by Airline at the Airport.

15.02 Training. Any person who will be providing boarding assistance to passengers for or on the behalf of Airline shall be trained in the proper use and operation of the Lift Device and shall attend all training sessions as to the proper use of the Lift Device as may be provided by County or manufacturer of the Lift Device.

15.03 Maintenance of Lift Device.

- A. County agrees to maintain the Lift Device in proper working condition subject to the terms and conditions of this Agreement, and, if requested, to provide a copy of maintenance records for the Lift Device.

- B. Airline shall inspect the Lift Device prior to each use to ensure that the Lift Device is operating properly. If at any time Airline becomes aware of the need for maintenance or repairs to the Lift Device, Airline shall promptly notify County in writing of the nature of the maintenance and repairs required and shall refrain from using the Lift Device until such time as the repairs or maintenance have been completed. Airline's right to use the Lift Device shall be suspended during the period in which repairs or maintenance of the Lift Device is being made.
- C. Airline shall promptly notify County if: (1) the Lift Device is damaged in any way while in Airline's possession; or (2) the Lift Device is lost or stolen while in Airline's possession. In the event the Lift Device, or any part thereof, is damaged while in the possession of Airline due to the willful misconduct or negligence of Airline or any Airline Party, Airline shall pay County on demand for the cost of the repairs to the Lift Device or have the Lift Device repaired to the condition it was in prior to its damage. In the event the Lift Device is destroyed, lost, stolen, damaged beyond repair or otherwise rendered unfit for use while in the possession of Airline due to the willful misconduct or negligence of Airline or any Airline Party, Airline shall pay County on demand the replacement value of the Lift Device.
- D. Airline acknowledges and agrees that County may establish, in its discretion, reasonable nondiscriminatory fees and charges for the use and maintenance of the Lift Device.
- E. County and Airline reserve the right to assign all of the obligations to maintain and operate the Lift Device, as provided for in this Agreement, on behalf of County and Airline, to a provider of ground handling services.

15.04 Disclaimer of Liability. Airline acknowledges that County is not the manufacturer of the Lift Device or the dealer in similar property and has not made and does not make any representation, warranty or covenant, express or implied, with respect to the condition, quality, durability, suitability or merchantability of the Lift Device. County shall not be liable to Airline for any loss or damage caused or alleged to be caused directly or indirectly by the Lift Device by any inadequacy thereof or defect therein or by any incident in connection therewith, except to the extent caused by the negligence or willful misconduct of County or a County Party.

#### **ARTICLE 16 - SUBORDINATION AND SAVINGS CLAUSE**

##### 16.01 Subordination.

- A. This Agreement and all rights granted to Airline hereunder are expressly subordinated and subject to the lien and provisions of the pledge, transfer, hypothecation, or assignment made by County in the Bond Resolution, and County and Airline agree that to the extent permitted by authorizing legislation, the holders of the Bonds or their designated representative may exercise any and all rights of County hereunder to the extent such

possession, enjoyment and exercise are necessary to ensure compliance by Airline and County with the terms and provisions of this Agreement and Bond Resolution. In the event of a conflict between this Agreement and the Bond Resolution, the terms of the Bond Resolution shall prevail.

- B. This Agreement and all provisions hereof shall be subject and subordinate to all the terms and conditions of any instruments and documents under which County acquired the land or improvements thereon, of which the Airline Premises are a part, and shall be given only such effect as will not conflict with nor be inconsistent with such terms and conditions. Airline understands and agrees that this Agreement shall be subordinate to the provisions of any and all existing or future agreements between County and the United States of America, State of Florida or any of their respective agencies, relative to the operation or maintenance of the Airport, the execution of which has been or is required as a condition precedent to the spending of federal funds for the development of the Airport.

#### **ARTICLE 17 - NON-DISCRIMINATION**

17.01 Nondiscrimination in County Contracts. The County is committed to assuring equal opportunity in the award of contracts and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2017-1770, as may be amended, the Airline warrants and represents that throughout the term of the Agreement, including any renewals thereof, if applicable, all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or expression, or genetic information. Failure to meet this requirement shall be considered default of the Agreement.

17.02 Federal Nondiscrimination Covenants. Airline shall comply with all applicable requirements of the Federal Nondiscrimination Requirements set forth in Exhibit "G".

#### **ARTICLE 18 - AMERICANS WITH DISABILITIES ACT**

Airline shall comply with all applicable requirements of the Americans with Disabilities Act, the State of Florida Accessibility Requirements Manual, and Section 504 of the Rehabilitation Act of 1973 and all implementing rules, regulations and orders, including, but not limited to 28 CFR Parts 35 and 36 and 49 CFR Parts 27 and 37, and shall cooperate with County to ensure Airline remains in compliance with such requirements throughout the Term of this Lease.

#### **ARTICLE 19 - NONEXCLUSIVE RIGHTS**

Notwithstanding anything herein contained, the rights, privileges and licenses granted under this Agreement are nonexclusive and County reserves the right to grant similar but no greater privileges to other Air Transportation Companies. Notwithstanding any provision of this Agreement to the contrary, including, but not limited to, the use of the terms "rent" or "rentals", Airline acknowledges that the Airline Premises is being made available for Airline's use hereunder

on a license basis and nothing herein shall be deemed to grant Airline any title, leasehold interest or estate in the Airline Premises.

## **ARTICLE 20 - GOVERNMENTAL RESTRICTIONS**

20.01 Avigation Rights. County reserves unto itself, its successors, and assigns for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Airport, including the Airline Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft now known or hereafter used, for navigation of, or flight in the said airspace for landing on and taking off from the Airport.

20.02 Height Limitation. Airline expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the Airline Premises to such a height so as to comply with Federal Aviation Regulations, Part 77, as such may be amended or superseded from time to time.

20.03 County Tax Assessment Right. None of the terms, covenants and conditions of this Agreement shall in any way be construed as a release or waiver on the part of County, as a political subdivision of the State of Florida, or any of the public officials of the County of Palm Beach, of the right to assess, levy, and collect any license, personal, intangible, occupation, or other tax of general application that shall be lawfully imposed on the business or property of Airline.

20.04 Governmental Review. Airline acknowledges that this Agreement is subject to review or inspection by the United States government and the State of Florida and their respective agencies and departments, including, but not limited to, the FAA, to determine satisfactory compliance with state and federal law and/or PFC and grant assurance requirements. Airline agrees that this Agreement shall be in full force and effect and binding upon both parties pending such review or inspection; provided, however, that upon such review or inspection the parties agree to modify any of the terms of this Agreement that are determined by the United States government or the State of Florida or any of their respective agencies or departments to be in violation of or inconsistent with any state or federal law and/or PFC or grant assurance requirement.

20.05 Federal Right to Reclaim. In the event a United States governmental agency shall demand and take over the entire facilities of the Airport or the portion thereof wherein the Airline Premises are located, for public purposes, then this Agreement shall thereupon terminate and County shall be released and fully discharged from any and all liability hereunder. This Article shall not act or be construed as a waiver of any rights Airline may have against the United States as a result of such taking.

## **ARTICLE 21 - LAWS, REGULATIONS, PERMITS, TAXES AND COMPLIANCE**

### 21.01 General.

- A. Airline agrees that throughout the Term of this Agreement, Airline shall at all times be and shall remain in full and complete compliance with all applicable federal, state and local laws, statutes, regulations, rules, rulings, orders, ordinances and directives of any kind or nature, as now or hereafter

amended, applicable to Airline's activities at the Airport, including, but not limited to, FAA Advisory Circulars, Airport Rules and Regulations and Environmental Laws. Airline agrees to cooperate in good faith with any investigation, audit, or inquiry by County regarding any federal or state regulatory action or investigation, which is against County, but arises out of Airline's activities.

- B. Airline agrees that it shall require its appropriate managers, supervisors, and employees to attend such training and instructional programs as County may, from time to time require, in connection with the Airport Rules and Regulations and policies and procedures related to certification of the Airport under Title 14, Part 139 of the Code of Federal Regulations, as now or hereafter amended.

21.02 Permits and Licenses. Airline agrees that it shall, at its sole cost and expense, obtain, maintain current, and fully comply with, all applicable permits, licenses and other governmental authorizations, as may be required by law, any federal, state or local governmental entity, or any court of law having jurisdiction over Airline or Airline's operations and activities, for any activity of Airline conducted on the Airline Premises and/or Airport. Upon the written request of County, Airline shall provide to the Department certified copies of any and all permits and licenses.

21.03 Air and Safety Regulation. Airline agrees that it shall conduct its operations and activities under this Agreement in a safe manner, shall comply with all applicable safety standards imposed by federal, state and local laws and regulations and shall require the observance thereof by all employees, contractors, business invitees and all other persons transacting business with or for Airline resulting from, or in any way related to, the conduct of Air Transportation Services on the Airline Premises. Airline shall procure and maintain such fire prevention and extinguishing devices as required by law, including applicable County orders and codes, and shall at all times be familiar and comply with the fire regulations and orders of County and the fire control agency with jurisdiction at the Airport. Airline agrees that neither Airline nor any employee or contractor or any person working for or on behalf of Airline, shall require any personnel engaged in the performance of Airline's Air Transportation Services to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to his or her health or safety, as determined by standards adopted pursuant to the Occupational Safety and Health Act of 1970, as same may be amended from time to time, as well as all state and local laws, regulations, and orders relative to occupational safety and health.

21.04 Assumption of Liability. Airline shall be liable for and hereby expressly assumes all responsibility for the cost of all citations, fines, penalties, environmental controls, monitoring, clean up, disposal, restoration and corrective measures resulting from the improper handling, storage and/or disposal at the Airport by Airline or any Airline Party of any Hazardous Substances regulated by Environmental Laws. Airline agrees to cooperate in good faith with any investigation, audit or inquiry by County regarding any regulatory enforcement action or investigation against County that arises from Airline's activities. Airline shall provide any notice of non-compliance or violation or other notice of enforcement action against Airline related in any way to its activities at the Airport to County as soon as reasonably practicable, but no later than

fourteen (14) days after receipt by Airline. Airline's obligations under this Section shall survive the expiration or earlier termination of this Agreement.

21.05 Environmental Indemnification. Airline hereby expressly agrees to indemnify and hold County and the County Parties harmless from and against any and all Damages, including reasonable fees and costs of consultants, experts, contractors and laboratories reasonably incurred in connection with the indemnified incident to the extent required to reach compliance with applicable federal or state law, arising from or resulting out of any violation or non-compliance by Airline or any Airline Party of any Environmental Laws in connection with Airline's or an Airline Party's use of the Airport, and shall include, but shall not be limited to, enforcement actions to assess, abate, remediate, initiate corrective measures and/or monitor environmental conditions; provided, however, Airline shall not be responsible to County for any Damages determined by a court of competent jurisdiction to be attributable to the negligence, willful misconduct, actions or inactions of County or a County Party. Airline fully understands the broad extent of this indemnification and hereby expressly acknowledges that it has received full and adequate consideration from County to legally support this indemnification agreement. Airline's obligations under this Section shall survive expiration or earlier termination of this Agreement.

21.06 Environmental Considerations

- A. If Airline is deemed to be a generator of hazardous waste (as defined by Environmental Laws) in connection with its use of the Airport, Airline will obtain, if required by applicable Environmental Laws, a generator identification number and the appropriate generator permit from the government agency with jurisdiction and will comply with all applicable Environmental Laws in connection with its use of the Airport, including, but not limited to, ensuring that the transportation, storage, handling, and disposal of such hazardous wastes are conducted in full compliance with Environmental Laws.
- B. If required by applicable Environmental Laws, Airline agrees to provide to County within fourteen (14) days after County's request, copies of all hazardous waste permit application documentation, permits, monitoring reports, transportation, records, storage and disposal plans, material safety data sheets and waste disposal manifests prepared or issued in connection with Airline's use of the Airport in the form such records are kept in accordance with applicable Environmental Laws.
- C. Upon the expiration or earlier termination of this Agreement, Airline shall dispose of all of Airline's hazardous wastes and containers in compliance with Environmental Laws. Upon request by County, copies of all waste manifests for shipments of such wastes will be provided to County at least sixty (60) days following the expiration or earlier termination of this Agreement.

- D. Nothing in this Article will be construed to make Airline liable in any way for any contamination or release of Hazardous Substances, affecting Airport that occurred prior to Airline's entry upon or operations at the Airport or that occurred as a result of the actions or inaction of County or its employees, agents, contractors or anyone else other than Airline or its employees, agents or contractors at the Airport.
- E. Nothing in this Article will be construed to make Airline liable in any way for any environmental contamination or release of Hazardous Substances affecting the Airport or Airline Premises that occurs by reason of the migration or flow of contamination onto Airport or Airline Premises from a site located off the Airport or off the Airline Premises, as the case may be, with verifiable or documented evidence that the contamination is not attributable to Airline's activities at Airport.
- F. Airline agrees to conduct any corrective measures or remediation of the Airport and Airline Premises caused by Airline or an Airline Party in accordance with applicable Environmental Laws.
- G. Airline acknowledges that certain properties within Airport or on County-owned land are subject to stormwater rules and regulations. Airline agrees to comply with all applicable stormwater rules and regulations, and, if applicable, Airline agrees in connection with Airline's operations on Airport with the following:
  - 1. The parties acknowledge that close cooperation is necessary to ensure compliance with any stormwater discharge permit terms and conditions, as well as to ensure safety and to minimize the cost of compliance. County agrees to notify Airline in advance of any proposed changes to the stormwater permit or County's Stormwater Pollution Prevention Plan applicable to the Airport affecting Airline's activities or operations hereunder. Airline acknowledges further that it may be necessary to undertake actions to minimize the exposure of stormwater to "significant materials" (as such term may be defined by applicable stormwater rules and regulations) generated, stored, handled, or otherwise used by Airline in connection with Airline's activities or operations at the Airport by implementing and maintaining "best management practices" (as such term may be defined in applicable stormwater rules and regulations).
  - 2. Airline shall comply with any stormwater discharge permit requirements applicable to Airline. If applicable to Airline's use of the Airport, Airline shall submit a separate Notice of Intent to use the State of Florida Multi-Sector Generic Permit for Stormwater Discharge Associated with Industrial Activity to the Florida Department of Environmental Protection with a copy to County.

Airline shall comply with all applicable stormwater requirements, including, but not limited to: certification of non-stormwater discharges; County's Stormwater Pollution Prevention Plan or similar plans; implementation of best management practices (as such term may be defined in applicable stormwater rules and regulations); and maintenance and submittal of records required by County's Stormwater Pollution Prevention Plan. In complying with such requirements, Airline will observe applicable deadlines set by the regulatory agency that has jurisdiction over the permit. Airline agrees to undertake, as its sole expense, those applicable stormwater permit requirements for which it has received written notice from the regulatory agency and that apply to Airline's operations at the Airport.

21.07 Emergency Coordinator. Airline agrees that an emergency contact and phone number for Airline shall be furnished to County, County's Risk Management Department - Safety Division, and to all appropriate governmental entities having jurisdiction thereof, to serve as Airline's point of contact in case of any spill, leak, or other emergency situation involving Hazardous Substances at the Airport.

21.08 Security. Airline acknowledges and accepts full responsibility for the security and protection of Airline's Preferential Use Premises and any and all inventory, equipment, and facilities now existing or hereafter placed on or installed in or upon the Airline Premises and for the prevention of unauthorized access to the Airline Premises and expressly agrees to comply with all rules and regulations of County, PBSO, the Department of Homeland Security and all other governmental entities that now or may hereafter have jurisdiction over security of the Airport. Airline fully understands that the police security protection provided by County at the Airport is limited to that provided to any other business situated in Palm Beach County by PBSO, and expressly acknowledges that any special security measures deemed necessary or desirable for additional protection of the Airline Premises and improvements constructed thereon shall be the sole responsibility of Airline and shall involve no cost to County. Airline further expressly acknowledges and accepts responsibility to maintain the security of the Airfield from or through the Airline Premises to the aircraft operations area and hereby agrees to fully comply with all federal, state and local laws regulating security at the Airport and with all rules and regulations of the Department and County concerning security procedures at the Airport, as now or hereafter amended, including, but not limited to, 49 CFR 1542 and the Airport Security Program. If Airline, its officers, employees, agents, or those under Airline's control shall fail or refuse to comply with the aforementioned security requirements and such non-compliance results in a monetary penalty being assessed against County, Airline shall be responsible for the costs thereof and shall reimburse County in the full amount of any such monetary penalty.

21.09 Payment of Taxes. Airline shall pay any and all taxes and other costs lawfully assessed against its interest in the Airline Premises, the improvements, whether owned by Airline or County, personal property or its operations under this Agreement including, but not limited to, tangible, intangible, sales and ad valorem taxes, general or special assessments. In the event this Agreement or Airline's use of the Airline Premises renders the Airline Premises subject to ad valorem real property taxes or similar impositions imposed by any government entity, Airline shall

be responsible for and pay the same prior to delinquency. Airline shall have the right to contest the amount or validity of any tax or assessment payable by it by appropriate legal proceedings, but this shall not be deemed or construed in any way as relieving, modifying, or extending Airline's covenants to pay any such tax or assessment, unless the legal proceedings shall operate to prevent the collection of the tax or assessment. Upon termination of such legal proceedings, Airline shall pay the amount of any such tax or assessment, or part thereof, as finally determined in such proceedings, the payment of which may have been deferred during the prosecution thereof, together with any costs, fees, interest, penalties, or other liabilities in connection therewith.

21.10 Compliance by Other Tenants. County shall, whenever possible, make reasonable efforts to obtain uniform compliance with its rules and regulations; however, County shall not be liable to Airline for any violation or non-observance of such rules and regulations by any Airport user, tenant, concessionaire or Air Transportation Company or their officers, agents, or employees.

## **ARTICLE 22 - DISCLAIMER OF LIABILITY**

COUNTY HEREBY DISCLAIMS, AND AIRLINE HEREBY RELEASES COUNTY, FROM ANY AND ALL LIABILITY, WHETHER IN CONTRACT OR TORT (INCLUDING STRICT LIABILITY, NEGLIGENCE AND NUISANCE), FOR ANY LOSS, DAMAGE, OR INJURY OF ANY NATURE WHATSOEVER SUSTAINED BY AIRLINE OR AN AIRLINE PARTY DURING THE TERM OF THIS AGREEMENT OR ANY EXTENSION THEREOF INCLUDING, BUT NOT LIMITED TO, LOSS, DAMAGE OR INJURY TO THE IMPROVEMENTS OR PERSONAL PROPERTY OF AIRLINE OR AIRLINE'S BUSINESS INVITEES THAT MIGHT BE LOCATED OR STORED ON THE PREMISES, EXCEPT TO THE EXTENT THAT SUCH LOSS, DAMAGE OR INJURY IS CAUSED BY COUNTY'S NEGLIGENCE OR WILLFUL MISCONDUCT, BREACH OF THIS AGREEMENT OR THAT OF A COUNTY PARTY OR COUNTY CONTRACTOR. THE PARTIES HERETO EXPRESSLY AGREE THAT UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE FOR INDIRECT, CONSEQUENTIAL, SPECIAL, OR EXEMPLARY DAMAGES WHETHER IN CONTRACT OR TORT (INCLUDING STRICT LIABILITY, NEGLIGENCE, AND NUISANCE), SUCH AS, BUT NOT LIMITED TO, LOSS OF REVENUE OR ANTICIPATED PROFITS OR ANY OTHER DAMAGE RELATED TO THE LEASING OF THE PREMISES PURSUANT TO THIS AGREEMENT. AIRLINE ACKNOWLEDGES AND AGREES THAT ITS USE OF ANY INFORMATION, WHETHER PREPARED OR PROVIDED BY COUNTY OR OTHERWISE, IN DETERMINING WHETHER TO ENTER INTO THIS AGREEMENT, WAS AT ITS SOLE RISK.

## **ARTICLE 23 - GENERAL PROVISIONS**

23.01 Clear Title. County covenants that at the granting and delivery of this Agreement, it has the right and authority to license the same as herein set forth, subject to all matters, exceptions and encumbrances of record of any kind, including easements.

23.02 Relationship of Parties. Airline, or any successor in interest to this Agreement, is and shall be deemed to be an independent contractor and operator and shall be responsible to all parties for its respective acts or omissions, and County shall in no way be responsible therefor. All persons engaged by Airline in any of the work or services performed pursuant to this Agreement

shall at all times, and in all places, be subject to Airline's sole direction, supervision and control. Airline shall exercise control over the means and manner in which it and its employees perform the work, and in all respects Airline's relationship and the relationship of its employees to County shall be that of independent contractors and not as employees or agents of County.

23.03 County Not Liable. Except as provided for in this Agreement, County shall not be under any duty or obligation to Airline to repair or maintain the Airline Premises, nor any portion thereof, or any facilities or equipment constructed thereon. County shall not be responsible or liable to Airline for any claims for compensation for any losses, damages, or injury sustained by Airline resulting from failure of any water supply, heat, air conditioning, electrical power, or sewerage or drainage facility except to the extent such loss, damage or injury was caused by the negligence or willful misconduct of County or a County Party or County contractor, or caused by natural physical conditions on the Airport, whether on the surface or underground, including stability, moving, shifting, settlement of ground, or displacement of materials by fire, water, windstorm, tornado, act of God, or state of war, civilian commotion or riot, or any cause beyond the control of County. County shall not be liable for any damage to, or loss of said personal property, except to the extent that said damage or loss resulted from the negligence or willful misconduct of County or a County Party.

23.04 Authorized Uses Only. Notwithstanding anything to the contrary herein, Airline shall not use or permit the use of the Airline Premises or the Airport for any illegal or improper purpose or for any purpose that would invalidate any policies of insurance, now existing or hereafter written on the Airline Premises or the Airport for County or Airline.

23.05 Quiet Enjoyment. County covenants that so long as Airline timely pays all fees and charges due hereunder, and fully and faithfully performs all of its obligations as provided herein, and otherwise is not in default of any of the terms and conditions of this Agreement, Airline shall peacefully and quietly have, hold and enjoy the Airline Premises, free from any eviction or unauthorized interference by County or a County Party or County contractor, during the Term hereof.

23.06 Time of Essence. The parties expressly agree that time is of the essence in this Agreement and the failure by a party to complete performance within the time specified, or within a reasonable time if no time is specified herein, shall, at the option of the other party without liability, in addition to any other rights or remedies, relieve the other party of any obligation to accept such performance.

23.07 Non-Exclusivity of Remedies. ### **SECTION III - REVENUE SHARING**

1. **Revenue Sharing.** Revenue Sharing shall be calculated by County in accordance with this Section. The following Line Items listed in **Table E-6** are included in the calculation of Revenue Sharing. Each Line Item in **Table E-6** is identified by the corresponding letter set forth below.

**Line Item A.** **Net Remaining Revenues.** Net Remaining Revenues will be estimated for purposes of rate setting and will be calculated after Settlement for purposes of final Settlement. Availability of Revenue Sharing shall be subject to and contingent upon County's ability to satisfy its financial obligations and to meet its Debt Service Coverage requirements in each Fiscal Year.

**Line Item B.** **Revenue Sharing Percentage.** The Revenue Sharing Percentage for all Signatory Airlines shall be equal to thirty-five percent (35%).

**Line Item C.** **Total Revenue Sharing Amount.** Line Item C shall be calculated as follows:

- **For purposes of rate setting:** the Total Revenue Sharing Amount shall be calculated at ninety-five percent (95%) of the Total Revenue Sharing Amount (i.e., reduced by five percent (5%)), or stated as a calculation: Total Revenue Sharing Amount for Rate Setting = (Net Remaining Revenues x 35%) x 95%.
- **For purposes of final Settlement:** the Total Revenue Sharing Amount shall be an amount equal to the Net Remaining Revenues, if any, multiplied by the Revenue Sharing Percentage thirty-five percent (35%). One hundred percent (100%) of total Revenue Sharing Amount shall be used for the final Settlement calculation, or stated as a calculation: Total Revenue Sharing Amount for Settlement = (Net Remaining Revenues x 35%) x 100%.

**Line Item D.** **Total Terminal Revenue Sharing Amount.** The Total Terminal Revenue Sharing Amount shall be an amount equal to the Total Revenue Sharing Amount multiplied by Terminal Revenue Percentage. Terminal Revenue Percentage shall be an amount equal to the Terminal proportionate share of the sum of Signatory Airlines' Terminal Rental Revenues and Landing Fee Revenues prior to calculating Revenue Sharing.

**Line Item E.** **Total Airfield Revenue Sharing Amount.** The Total Airfield Revenue Sharing Amount shall be an amount equal to the Total Revenue Sharing Amount multiplied by the Airfield Revenue Percentage. Airfield Revenue Percentage shall be an amount equal to the Airfield proportionate share of the sum of Signatory Airlines' Terminal Rental Revenues and Landing Fee Revenues prior to calculating Revenue Sharing.

**Line Item F.** **Airline's Terminal Revenue Sharing Amount.** Each individual Signatory Airline's (including Airline's) Terminal Revenue Sharing Amount shall be an amount equal to the Total Terminal Revenue Sharing Amount multiplied by the individual Signatory Airline's proportionate share of total Signatory Airline Enplanements during the Fiscal Year for which Revenue Sharing has been calculated.

**Line Item G.** **Airline's Airfield Revenue Sharing Amount.** Each individual Signatory Airline's (including Airline's) Airfield Revenue Sharing Amount shall be an amount equal to the Total Airfield Revenue Sharing Amount multiplied by the individual Signatory Airline's proportionate share of the total Landed Weight of the Signatory Airlines during the Fiscal Year for which Revenue Sharing has been calculated.

**Line Item H.** **Airline's Total Revenue Sharing Amount.** Each individual Signatory Airline's (including Airline's) Total Revenue Sharing Amount shall be an amount equal to the sum of Airline's Terminal Revenue Sharing Amount and Airline's Airfield Revenue Sharing Amount.
