**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to approve: an agreement with Seven Bridges Homeowners Association, Inc. (Community) for enforcement of the traffic laws of the state to be performed by the Palm Beach County Sheriff's Office (PBSO).

**SUMMARY:** Approval of this agreement will authorize PBSO to provide enforcement of the traffic laws of the state upon the private roadways during normal patrol hours within the Community. Once the Community certifies that all traffic control devices installed on the Community's streets are compliant with the Manual on Uniform Traffic Control Devices (MUTCD), the Traffic Division will be able to perform field inspections to verify compliance with the MUTCD during the term of the agreement. Should the Community require enforcement by PBSO at times outside of normal patrol hours, the Community understands that a separate contract must be executed with PBSO for additional services and that the Community will be invoiced by PBSO for those additional services. District 5 (YBH)

**Background and Justification:** Section 316.006, Florida Statutes, provides that Palm Beach County (County) may exercise traffic control over private roads by written agreement after consultation with PBSO. The Community wishes to contract with the County to have PBSO provide enforcement of the traffic laws of the state upon its roadways during normal patrol hours at the discretion of PBSO.
