I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to motion to approve:

A) a Contract for Enhanced Mentoring Engagement with Children’s Services Council of Palm Beach County (CSC) and United Way of Palm Beach County, Inc. (United Way), for continued funding of the Enhanced Mentoring Engagement Program, for the period October 1, 2024 through September 30, 2027, in an amount not to exceed \$688,000 annually, totaling \$2,064,000 over the three (3) year period; and

B) a Budget Amendment in the General Fund in the amount of \$10,000. This amendment will recognize the revenue of \$10,000 from CSC, and transfer budget from the Evidence-Based Programming unit (Unit 1451) to fund the cost associated with this Contract.

Summary: United Way’s Mentor Center’s most important component is that children need to grow into healthy adults with the presence of a strong relationship with a nonparent adult. This Enhanced Mentoring Engagement program (Program) will focus on supporting youth directly involved with or at-risk of entering the juvenile justice and/or dependency system in low-income communities in priority geographic locations. This Program aims to service 225 youth; 180 parents/guardians/mentors; 80 service organizations staff. The United Way will provide oversight, training, technical assistance and resources to youth directly or indirectly involved in the juvenile justice and dependency systems, as well as expand capacity and willingness of more providers through Mentor Center Hubs within communities to serve this unique population and remove the stigma associated with them. During FY 2023, the Program served 399 youth (including an additional 174 above the contract projected number). The CSC will contribute no more than \$380,000 annually and the County will provide no more than \$308,000 annually from ad valorem funding beginning October 1, 2024. This Contract includes a logic model and reporting measurements specific to United Way. After completion of each contract year, the United Way’s progress in meeting their performance measurements will be distributed to the Board of County Commissioners as part of the Community Based Agency Annual Report. Countywide (HH)

Background and Justification: The Mentoring Effect (2014) estimates that in Palm Beach County, 1 in 3 youth directly involved with or at-risk of entering the juvenile justice/dependency system need a mentor. High quality, enduring relationships with caring adults can lead to a wide range of positive outcomes for young people, including social emotional well-being, leadership skills, higher rates of volunteerism and post-secondary success (The Mentoring Effect; 2014). This need is further strengthened by the Birth to 22: United for Brighter Futures Youth Master Plan (2016) which states there is a need to promote social and emotional learning and well-being across all environments where young people spend their time. This Program aims to train other youth services providers on mentoring resources, triage youth to an agency to access resources and through the Mentor Center Hub train more mentors, provide internships, connect youth with resources and host mentor recruitment events. Through United Way’s partnership with Mentor National, there will be access to the latest research and best practices for working with this population and the agencies, volunteers, and staff the youth and their families may encounter along the way.

The UNITED WAY shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the UNITED WAY'S relationship and the relationship of its employees to the COUNTY shall be that of an Independent Contractor and not as employees or agents of the COUNTY or the CSC.

The UNITED WAY does not have the power or authority to bind the COUNTY or the CSC in any promise, agreement or representation.

The UNITED WAY warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the UNITED WAY to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the UNITED WAY, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Contract.

ARTICLE 20 - SUBCONTRACTING

Pursuant to this Contract, the UNITED WAY has/will enter into up to three (3) subcontracts with local nonprofit organizations for the delivery of the services outlined in **Exhibit A**. The COUNTY and the CSC reserves the right to accept the use of a subcontractor or to reject the selection of a particular subcontractor and to inspect all facilities of any subcontractors in order to make a determination as to the capability of the subcontractor to perform properly under this Contract.

The UNITED WAY shall be required to submit each subcontractor's information and a copy of any executed contract to the COUNTY and to the CSC.

ARTICLE 21 - PUBLIC ENTITY CRIMES

As provided in sections 287.132-133, Florida Statutes, by entering into this Contract or performing any work in furtherance hereof, the UNITED WAY certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the date hereof. This notice is required by section 287.133(3)(a), Florida Statutes.

ARTICLE 22- EXCUSABLE DELAYS

The UNITED WAY shall not be considered in default by reason of any failure in performance if such failure arises out of causes reasonably beyond the control of the UNITED WAY or its subcontractors and without their fault or negligence. Such causes include, but are not limited to, acts of God, force majeure, natural or public health emergencies, labor disputes, freight embargoes, and abnormally severe and unusual weather conditions.

Upon the UNITED WAY'S request, the COUNTY and the CSC shall consider the facts and extent of any failure to perform the work and, if the UNITED WAY'S failure to perform was without it or its subcontractors fault or negligence, the contract schedule and/or any other affected provision of this Contract shall be revised accordingly, subject to the COUNTY'S and the CSC'S rights to change, terminate, or stop any or all of the work at any time.

ARTICLE 23 - ARREARS

All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this Contract for or at the COUNTY'S expense shall be and remain the COUNTY'S property and may be reproduced and reused at the discretion of the COUNTY.

All covenants, agreements, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Contract and the consummation of the transactions contemplated hereby.

Notwithstanding any other provision in this Contract, all documents, records, reports and any other materials produced hereunder shall be subject to disclosure, inspection and audit, pursuant to the

In the event that either the CSC or the COUNTY give notice of termination, the non-terminating party (CSC or COUNTY) may elect, and contingent upon approval of the respective governing board, to re-negotiate with the UNITED WAY in order to provide for continuity of service. If the UNITED WAY elects not to continue the service, the UNITED WAY will comply with sections A through D above.

the contemplated change shall affect the UNITED WAY'S ability to meet the completion dates or schedules of this Contract.

If the COUNTY and/or the CSC so instructs, in writing, the UNITED WAY shall suspend work on that portion of the Scope of Work affected by a contemplated change, pending the COUNTY'S and/or the CSC'S decision to proceed with the change.

If the COUNTY and/or the CSC elect to make the change, the COUNTY shall initiate a contract amendment and the UNITED WAY shall not commence work on any such change until such written amendment is signed by the UNITED WAY and approved and executed on behalf of the CSC and Palm Beach County.

ARTICLE 29 - STANDARDS OF CONDUCT FOR EMPLOYEES

The UNITED WAY must establish safeguards to prevent employees, consultants, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by a desire for private financial gain for themselves or others such as those with whom they have family, business, or other ties. Therefore, each institution receiving financial support must have written policy guidelines on conflict of interest and the avoidance thereof. These guidelines should reflect State and local laws and must cover financial interests, gifts, gratuities and favors, nepotism, and other areas such as political participation and bribery. These rules must also indicate the conditions under which outside activities, relationships, or financial interest are proper or improper, and provide for notification of these kinds of activities, relationships, or financial interests to a responsible and objective institution official.

The rules of conduct must contain a provision for prompt notification of violations to a responsible and objective grantee official and must specify the type of administrative action that may be taken against an individual for violations. Administrative actions, which would be in addition to any legal penalty(ies), may include oral admonishment, written reprimand, reassignment, demotion, suspension, or separation. Suspension or separation of a key official *must* be reported promptly to the COUNTY.

A copy of the rules of conduct must be given to each officer, employee, board member, and consultant of the recipient organization who is working on the grant supported project or activity and the rules must be enforced to the extent permissible under State and local law or to the extent to which the grantee determines it has legal and practical enforcement capacity.

The rules need not be formally submitted to and approved by the COUNTY or the CSC; however, they must be made available for a review upon request, for example, during a site visit.

The UNITED WAY shall be responsible for payment of its own and its share of its employees' payroll, payroll taxes, and benefits with respect to this Contract.

ARTICLE 31 - ENTIRETY OF CONTRACTUAL AGREEMENT

The COUNTY, the CSC and the UNITED WAY agree that this Contract sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms and conditions contained in this Contract may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties hereto in accordance with Article 26 - Modifications of Work.

ARTICLE 32 - PUBLIC RECORDS

Notwithstanding anything contained herein, as provided under section 119.0701, Florida Statutes, if the UNITED WAY: (i) provides a service; and (ii) acts on behalf of the COUNTY or the CSC as provided under section 119.011(2) Florida Statutes, the UNITED WAY shall comply with the requirements of section 119.0701, Florida Statutes, as it may be amended from time to time. The UNITED WAY is specifically required to:

The UNITED WAY further agrees that all fees, charges and expenses shall be determined in accordance with Palm Beach County PPM CW-F-002, Fees Associated with Public Records Requests, as it may be amended or replaced from time to time.
- C. Ensure that public records that are exempt, or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of this Contract, if the UNITED WAY does not transfer the records to the public agency.
- D. Upon completion of this Contract, the UNITED WAY shall transfer, at no cost to the COUNTY, all public records in possession of the UNITED WAY unless notified by the COUNTY'S representative/liaison, on behalf of the County's Custodian of Public Records, to keep and maintain public records required by the COUNTY to perform the service. If the UNITED WAY transfers all public records to the COUNTY upon completion of this Contract, the UNITED WAY shall destroy any duplicate public records that are exempt, or confidential and exempt from public records disclosure requirements. If the UNITED WAY keeps and maintains public records upon completion of this Contract, the UNITED WAY shall meet all applicable requirements for retaining public records. All records stored electronically by the UNITED WAY must be provided to the COUNTY, upon request of the County's Custodian of Public Records, in a format that is compatible with the information technology systems of the COUNTY, at no cost to the COUNTY.

Failure of the UNITED WAY to comply with the requirements of this article shall be a material breach of this Contract. The COUNTY and/or the CSC shall have the right to exercise any and all remedies available to it, including but not limited to, the right to terminate for cause. The UNITED WAY acknowledges that it has familiarized itself with the requirements of Chapter 119, Florida Statutes, and other requirements of state law applicable to public records not specifically set forth herein.

SCOPE OF WORK

Contract Period:	October 1, 2024 - September 30, 2027
Agency Name:	United Way of Palm Beach County, Inc.
Program Name:	United Way- Enhanced Mentoring Engagement
Target Population:	Youth aged 11 to 19 directly involved with or at-risk of entering the juvenile justice and/or dependency system.
Geographic area(s) served:	Boynton Beach, Delray Beach, Riviera Beach, West Palm Beach, Lake Worth Beach
Commission District(s):	District 2, District 3, District 4, District 5, District 7

Overview:

Based on data from The Mentoring Effect (2014), it is estimated that in Palm Beach County, 1 in 3 youth directly involved with or at-risk of entering the juvenile justice/dependency system need a mentor. High quality, enduring relationships with caring adults can lead to a wide range of positive outcomes for young people, including social emotional well-being, leadership skills, higher rates of volunteerism and post-secondary success (The Mentoring Effect, 2014). This need is further strengthened by the Birth to 22: United for Brighter Futures Youth Master Plan (2016) which states there is a need to promote social and emotional learning and well-being across all environments where young people spend their time. Additionally, according to this same survey, it found that less than 40% of youth felt like they had a supportive adult to talk to if they had a problem. For youth in the juvenile justice system, that percent is even lower.

“By the time any child comes into contact with law enforcement and the judicial system, it's highly likely that they have already experienced trauma and adversity in their lives. Ninety percent of young people in the juvenile justice system have at least one extreme stressor and usually far more” (The Mentoring Effect, 2014). In fact, juvenile offenders in Florida have starkly higher rates of Adverse Childhood Experiences (ACEs) than the population as a whole, according to a study conducted by the state's Office of Juvenile Justice and Delinquency Prevention and the University of Florida. The study (The Prevalence of Adverse Childhood Experiences (ACEs) in the Lives of Juvenile Offenders) surveyed 64,329 juvenile offenders, and only 2.8% reported no childhood adversity compared to 34% surveyed in the original CDC study. That means 97% of them had at least one ACE. Fifty percent of the offenders surveyed reported 4 or more ACEs putting them in the high risk category (this compared to just 13% in the original study). This data is incredibly significant because numerous studies link a high ACE score with chronic disease, mental illness, violence, being a victim of violence, and early death. “When you raise a child with violence, they have a tendency to become violent” (note: from Center for Child Counseling - ACES and Juvenile Justice Blog, November 2019). Fortunately, it is also true that when you raise a child with a supportive adult including a mentor, the child is better equipped to exemplify love and kindness which are critical elements of a trauma sensitive approach to build resiliency.

There is also further evidence that involvement in the juvenile justice system itself can have unintended harmful effects, such as increased likelihood of involvement in the penal system in adulthood.

Engaging in delinquent behavior, furthermore, whether brought to the attention of the juvenile justice system or not, appears to increase youth risk for negative outcomes (e.g., depression), thus potentially increasing the likelihood of continued or intensified conduct problems in a vicious cycle. Moreover, studies of mentoring programs show that mentoring relationships can reduce negative youth behaviors and prevent substance abuse (Jekielek, et. al., 2002; Dubois, 2002).

The Mentor Center Enhanced Mentoring Engagement Program's most important component is that children need to grow into healthy adults with the presence of one person attached to them- a strong relationship with a nonparent adult. This program will focus on supporting youth directly involved with or at-risk of entering the juvenile justice and/or dependency system in low-income communities in priority geographic locations.

United Way (UW) will assume overall responsibilities for oversight, monitoring, reporting, data accountability, etc. of the Agency Mentor Center Hubs. This may include, but is not limited to- desk audit, fiscal audit and annual on-site programmatic monitoring of the Agency Mentor Center Hubs and submits results/reports to County.

Evidence-based model or promising practice:

The program will follow the National Mentoring Partnership Elements of Effective Practice for mentoring model (<https://www.mentoring.org/resource/elements-of-effective-practice-for-mentoring/>) and utilize the KIDCOPE Survey.

Observed Need/Risk Factor(s) that will be addressed:

From a social justice perspective, there is the problematic reality that negative encounters with the justice system and/or dependency system are not equally distributed in the U.S. These inequities are evident in disproportionately high rates of incarceration for African Americans and those with the fewest resources, and can be traced at least in part to racial biases in enforcement and judicial processing that persist not only for adults, but also juveniles.

Across Palm Beach County, youth directly involved with or at-risk of entering the juvenile justice and/or dependency system will be provided with supports to reduce recidivism, gain better access to community resources, further their education or career, and enhance social and emotional well-being.

There is no one specific resource for parents, guardians, and youth in the dependency and juvenile justice systems to access desired community supports and other relevant information. There needs to be a central resource to triage youth so they can navigate these systems easier and get back on the path to being constructive and productive members of society. United Way of Palm Beach County's Mentor Center will provide oversight, training, technical assistance and resources to youth directly or indirectly involved in the juvenile justice and dependency systems. We will expand capacity and willingness of more providers through Mentor Center Hubs within communities to serve this unique population and remove the stigma associated with them. Through our partnership with Mentor National (MENTOR), United Way will have access to the latest research and best practices for working with this population and the agencies, volunteers, and staff the youth and their families may encounter along the way within these respective systems.

Services:

The Mentor Center Hub's mentoring efforts must follow the National Mentoring Partnership Elements of Effective Practice for mentoring model (<https://www.mentoring.org/resource/elements-of-effective-practice-for-mentoring/>) and utilize the KIDCOPE Survey in partnership with United Way of Palm Beach County.
