**Summary:** The CILB establishes qualifications and competency of contractors that work within the County. The CILB also provides for the testing and licensing of these contractors, and is empowered to discipline licensees, and hear citation appeals. The CILB was established by Special Act, Laws of Florida, Chapter 67-1876, as amended. The Special Act and, subsequently, Section 489.131, Florida Statutes sets forth the membership of the CILB, which consists of 15 members. The CILB shall be comprised of 15 members as follows: two (2) general contractors, one (1) member from each of the following contractor categories: building, residential; electrical; plumbing; HARV (Heating, Air Conditioning, Refrigeration and Ventilation), roofing; swimming pool; one (1) architect; one (1) engineer and one (1) full-time building official employed by a local government within Palm Beach County, who meets the requirements of the Building Officials Association of Florida; and three (3) consumer representatives. A memorandum was sent to the Board of County Commissioners (BCC) on December 17, 2024 requesting support to appoint one (1) new CILB member, no other nominations were received. The CILB currently has 11 out of 15 seats filled and a diversity count of Caucasian: 10 (90%) and Hispanic-American: 1 (10%). The gender ratio (female: male) is 2:9. Staff is addressing the need to increase diversity within our boards and will continue to encourage this to expand this Board's diversity. Countywide (RM)

**Background and Justification:** The membership of the CILB consists of two (2) general contractors, and one (1) member of the following categories: building, residential, electrical, plumbing, HARV roofing, swimming pool, architect, engineer, and building official. In addition, Section 489.131, Florida Statutes requires that we have three (3) Consumer Representatives. The Board establishes qualifications and competency of contractors that work within the County. The CILB also provides for the testing and licensing of these contractors, and is empowered to discipline licensees.

(10) No municipal or county government may issue any certificate of competency or license for any contractor defined in s. 489.105(3)(a)-(o) after July 1, 1993, unless such local government exercises disciplinary control and oversight over such locally licensed contractors, including forwarding a recommended order in each action to the board as provided in subsection (7).

If the board has seven or more members, at least three of those members must be consumer representatives.
